Montana State Legislature

Exhibit Number: 11

Title: *The Montana University System: An Investment in Montana's Future*

This exhibit is a full colored paper copy of a Power Point Presentation. The color portion scans black, making it difficult to view. A small portion has been scanned but the clarity is poor. The colored copy is on file at the Montana Historical Society and may be viewed there.

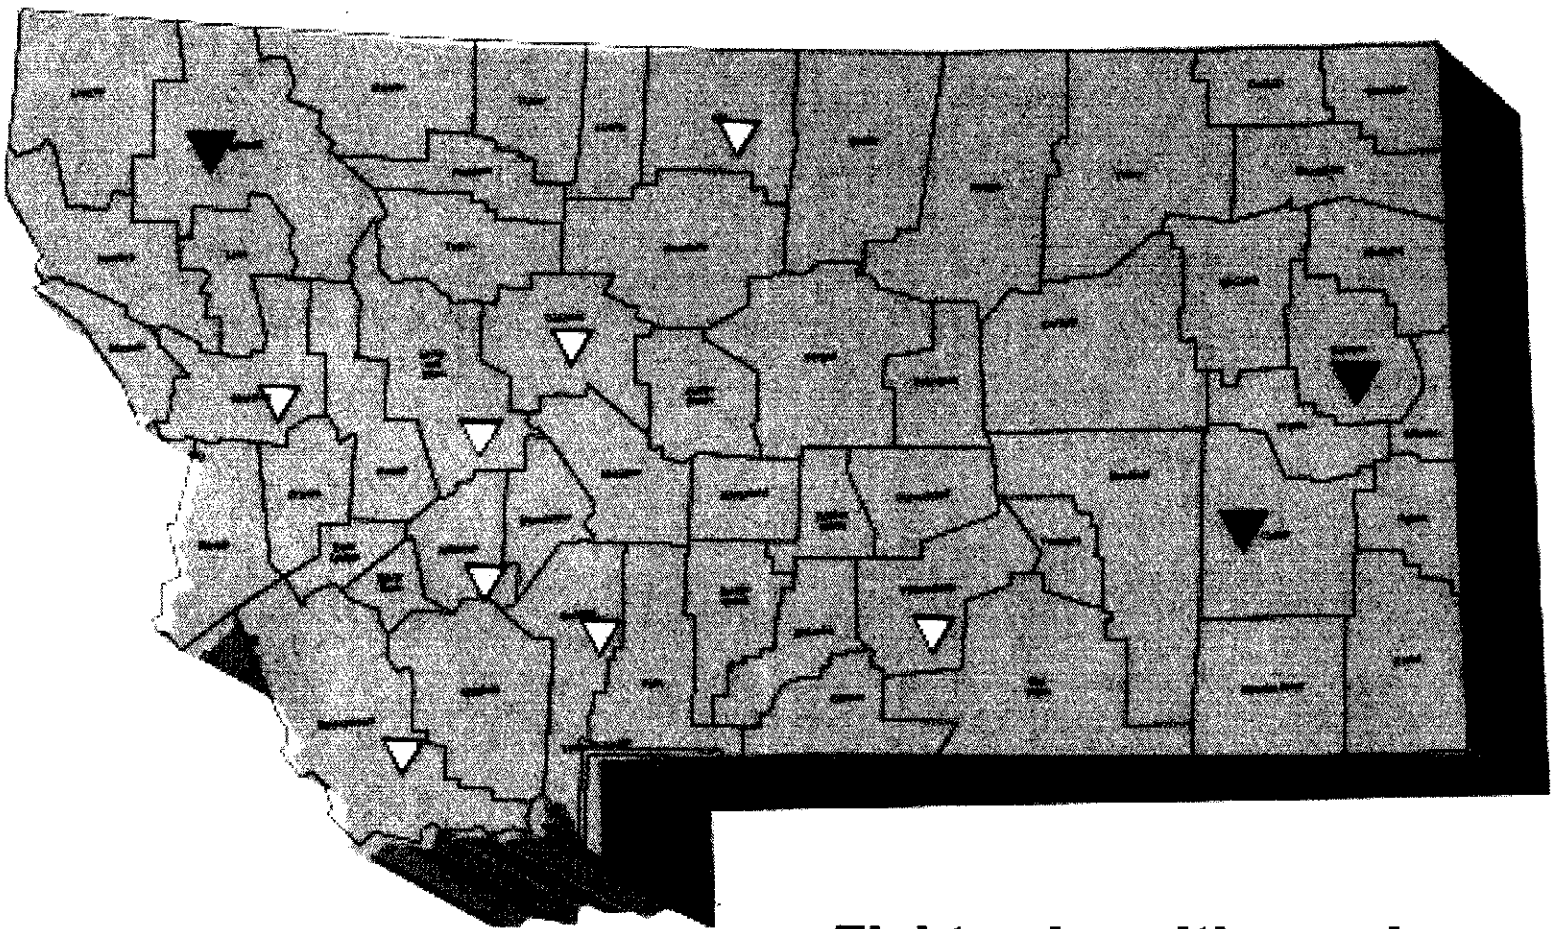
Montana Historical Society Archives, 225 N. Roberts, Helena, MT 59620-1201; phone (406) 444-4774. For minutes in paper format, please contact the Montana State Law Library, Justice Building, 215 N. Sanders, Helena, MT 59620; (406) 444-3660. Tapes and exhibits are also available at the Historical Society (tapes are retained for five years). Scanning done by: Susie Hamilton

Montana's Future

MONTANA UNIVERSITY SYSTEM

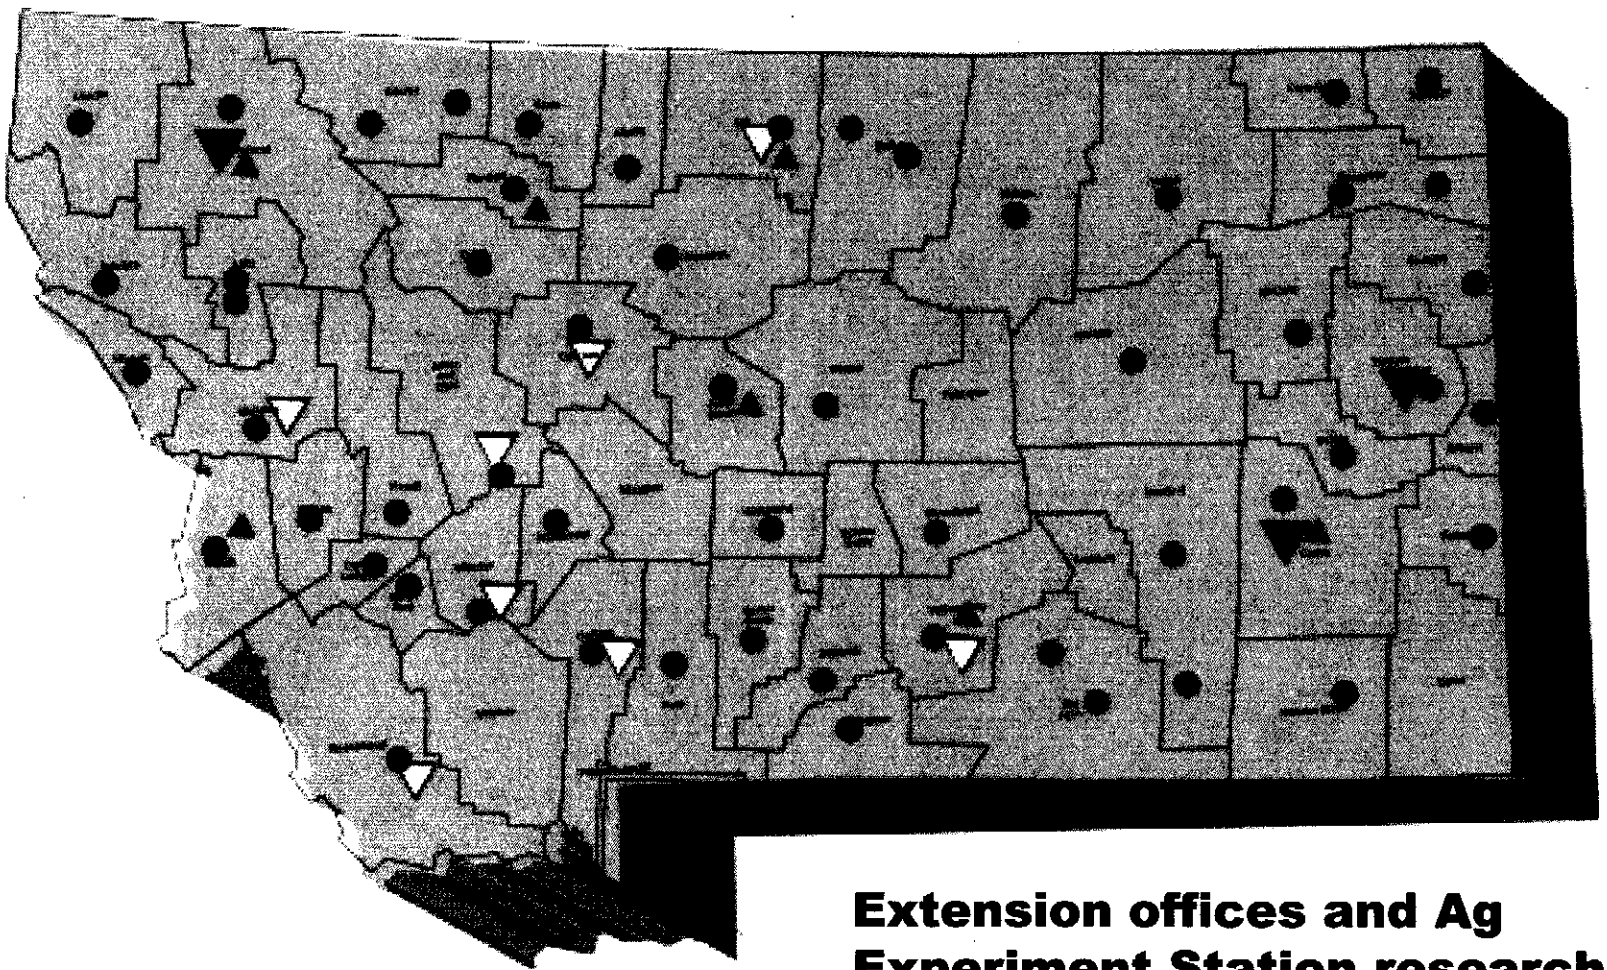
EXHIBIT 11
DATE 1-2-07

The Montana University System includes:



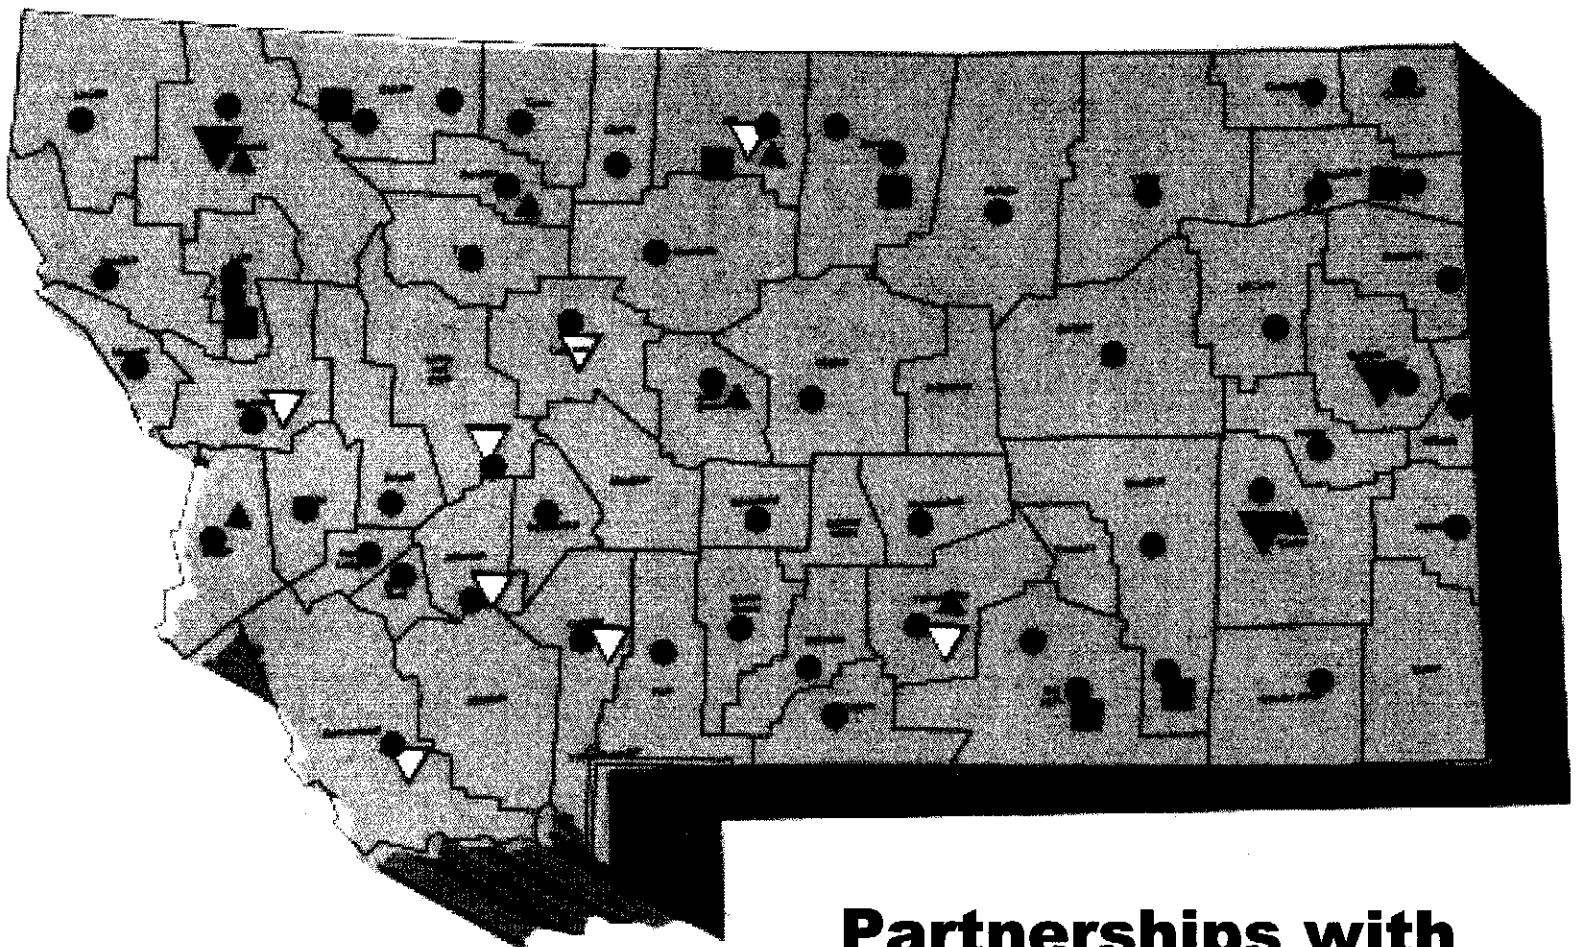
Eight universities and three community colleges

The Montana University System includes:



Extension offices and Ag Experiment Station research centers throughout the state

The Montana University System includes:



Partnerships with seven tribal colleges

- More than $300 million in out-of-state money attracted to the state each year, including
  - $150 million in research grants and contracts, up nearly $70 million in last 5 years
  - $155 million spent by non-resident students and families

- Nearly $500 million spent each year by employees and students in campus communities

- Joint Select Committee on Postsecondary Education Policy and Budget
- EDA9 and the Alliance for Montana's Future
- Various business and agricultural groups

This is a new, collaborative approach to addressing the State's needs and opportunities

Working together, we can make a real difference for Montana

MONTANA UNIVERSITY SYSTEM

[illegible]
students at above-market [illegible]
levels, and increasing tuition and fees.

- These strategies cannot continue without compromising quality and affordability

Now is the time to enhance the investment in our colleges and universities for the benefit of our citizens and our economic future

MONTANA UNIVERSITY SYSTEM

- Per capita income in Montana has dropped from 93% of the national average in 1982 to 82% in 2003.

- Montana ranks 50th in the nation in wage and salary income per job.

Our priorities must be.....
JOBS + INCOME LEVELS

MONTANA UNIVERSITY SYSTEM

- Increasingly tied to postsecondary education attainment
- Attracting and creating high paying jobs is dependent on an educated and trained citizenry
