House of Representatives:

This letter is in re: to the upcoming Senate Bill 235.

Anaconda is in need of a new source to building the local economy.

I strongly recommend your vote to locate the V.A. nursing home in Anaconda. This would also effect and benefit the Deer Lodge and Butte communities economies with jobs.

Thanking you in advance for this consideration.

I am writing this letter in support of Senate Bill 235 pertaining to a proposed VA nursing home in Anaconda, MT.

At present, there is a small VA clinic in our fair city that provides medical care to numerous veterans. I know, because I am one of these veterans. It would be most advantageous for the aging veterans to have a nursing home in this area not to mention the added bonus of providing badly needed jobs.

Please support this bill on the behalf of Montana veterans.

Sincerely,

Barry B. DeChaine
