EXHIBIT 19
DATE 2/10/2005
HB

Motion for proposed HB2 Language:

To be inserted into the overview section that addresses system-wide matters for the university system (5102)...

"The legislature encourages the Montana University System/Commissioner of Higher Education to explore and establish partnerships with the Department of Public Health and Human Services, including the Temporary Assistance for Need Families (TANF) program, to ensure access to quality post secondary education and training opportunities for families in Montana who would benefit from such training to help them move toward economic freedom . The Montana University System/Commissioner of Higher Education shall submit a report to the next legislature, by January 1, 2007, to address the strategies.

Adopted Motion for proposed HB2 Language:

To be inserted into the overview section that addresses system-wide matters for the university system (5102)...

"The legislature encourages the Montana University System/Commissioner of Higher Education to explore and establish partnerships with the Department of Public Health and Human Services, including the Temporary Assistance for Need Families (TANF) program, to ensure access to quality post secondary education and training opportunities for families in Montana who would benefit from such training to help them move toward ~~economic freedom~~ economic self sufficiency. The Montana University System/Commissioner of Higher Education shall submit in a report to the next legislature, by January 1, 2007, to address the strategies and the results of these partnership efforts."
