HB 66

Dear Mr. Chairman/Madam Chair and committee members:

For the record my name is Rayce Leffler. I am 13 years old and in the 7th Grade. I have a felony and I am on probation. I need therapy and medication. The KMA will be helping us pay for some of my therapy. Please give money to the KMA so that they can continue to help people like me. Also, the KMA in Helena does not have a Junior High support group. They only have a High School support group and I would like to be with kids my age. If I get enough help, I will be able to succeed. If I don't get enough help and support, I may end up in jail when I am an adult. So I am asking you: Would you rather spend money on me now for treatment or would you rather spend money on me later when I'm an adult and in jail? Please give money to the KMA so that they can help people like me.

Thank you for your time and help with this and I hope you make the right decision and do what is best for us.
