**SUPPORT PETITION TO PROMOTE LEGISLATIVE ACTION FOR A MONTANA-WYOMING RECIPROCAL FISHING LICENSE AGREEMENT ON THE BEARTOOTH PLATEAU AND BIG HORN LAKE**

**Club:** Magic City Fly Fishers of Billings, Montana.

**Date:** January 5, 2009

**The purpose of this petition is to demonstrate support for legislation to be introduced by Representative Tom McGillvray of Billings in the 2009 legislative session that would allow fishermen and women to fish the Beartooth plateau and/or Big Horn Lake with a valid Montana or Wyoming fishing license. Said legislation will be subject to some limitations and may require a Reciprocal Stamp that would range between $3.00 and $10.00 annually.**

**Tom is asking our club to support this proposed measure with your signature, address, phone and e-mail so that he may keep you informed on the progress of the bill and to ask for your support in contacting other legislators who may need to be convinced that fishermen want this legislation. Write any questions or comments on the succeeding sheets of this petition.**
