OF SAGE AND STONE

Of Sage and Stone: A Guide to Southwest Montana's Rural Treasures is your passport to arts and crafts studios, galleries, museums, historic sites, cultural attractions, guest ranches, and the local cafes and bed and breakfasts unique to the charming and friendly small towns nestled across this spectacular stretch of the Rocky Mountains.

Choose from five loop tours and discover people and places where history, culture and creativity come alive. Meet potters, carvers, weavers, and quilters; see National Historic Landmarks; find one-of-a-kind arts and crafts in small welcoming galleries; escape to a guest ranch, restored farmhouse, or century-old cabin for a getaway week.

Find history and art, experience rural Montana, make memories. It's just past the stone house, through the sage field, and over the mountain . . .
