MONTANA
ALZHEIMER'S/DEMENTIA
WORK GROUP

If you have memory problems, or have been diagnosed with Alzheimer's or Related Dementias…

If you are a caregiver (family or paid) for someone who has/or may have Alzheimer's or Related Dementias…

We need to hear from you!

The State-wide Montana Alzheimer's/Dementia Work Group presents a

Town Hall Meeting

Dillon – May 19
Missoula – May 22
Lewistown – May 27
Miles City – May 28
Glasgow – May 29
Kalispell – June 5
Billings – June 9
Great Falls – June 16
Conrad – June 17

About the Town Hall Meeting
The Montana Alzheimer's/Dementia Work Group is conducting several state-wide Town Hall Meetings to hear comments that will help us develop the Montana State Comprehensive Plan on Alzheimer's Disease and Related Dementias. The Town Hall Meeting will allow caregivers, family members and other community members to share stories and experiences about caring for and providing services to individuals with Alzheimer's disease and related dementias. Individuals with Alzheimer's disease and related dementias are also encouraged to share their experiences at this meeting.

We will be asking questions, such as:

* What supportive and healthcare services are needed in your community?
* What creative approaches would you recommend to better serve people in your community?
* As a Caregiver (family or paid), what are the most critical needs you face as someone who provides care? How could these needs be better met?
* What assistance and support are most important to you, your family and other caregivers?

We hope you will join us and share your stories, comments and questions.

Can't attend in person or know someone who can't attend?
Take our online survey, or call us at the number below and we will mail one to you!
