Testimony on HB 176
January 20, 2005

Mr. Chairman and Members of the Committee,

My name is Janet Ellis, and I am here today representing the 3,500 members of Montana Audubon.

Many of our members hunt and fish and all of our members are concerned about wildlife in this state. A health MT Dept. of Fish, Wildlife and Parks is important to our wildlife resources. And because we support a healthy Dept., we support the license fee increases – which is their primary source for a budget.
