I said same thing only in other wording → written by Julie

I am Larry. I was diagnosed with Schizophrenia 15 years ago. I've been to Warm Springs 7 times previous to Joining the PACT team 5 years ago.

I get along with PACT employees.

now my opionion as stated to me of the criteria in question $\mathcal{G}_E$ → UM - the pact employees Help me Keep a wording grip on Reality Like a Reality Check
They Help me Visualize possible Goals
They Help me get a Vacation occasionally with Guildance From 4 walls
They Help me do a medication Regiem To maintaine a Constant Medication Theropy
They In This Respect were more Therough In this order of compliance with the Known Arts of pycology and pyciatry and Counseling.

Pg 2

(1) Pact was very Helpfull In Area Travel That Helps me Relate To personal Relationships Like ~~picnics~~ picnics ~~In the area~~

(2) Haveing this Surface Water Induced Psycotics With Relavant wording of Symptoms being Schizophrenia ~~Schizoprenia~~

(3) my psycotics Included Simularities To someone In a Room Around a Corner Talking sometimes on To Room Fulla with no Control over The Auditories - Sounds - un - Voices they at Times never shut up - The Visual Holusionations are like Viewing a pentagram un - projection of Light sometimes From Rocks - walls - tabbles - - Vases - Cieliengs - Autos - Clouds - The feel sensation are like spider webs slideing - Landing on the skin ectera with areas Affected

To put all I believe Is Relavant To the field of mental Health of my wording of being able To explaine The psycotics and the Association with Matoinance That pact supplys as In a medican Regiem would fill a note book -
