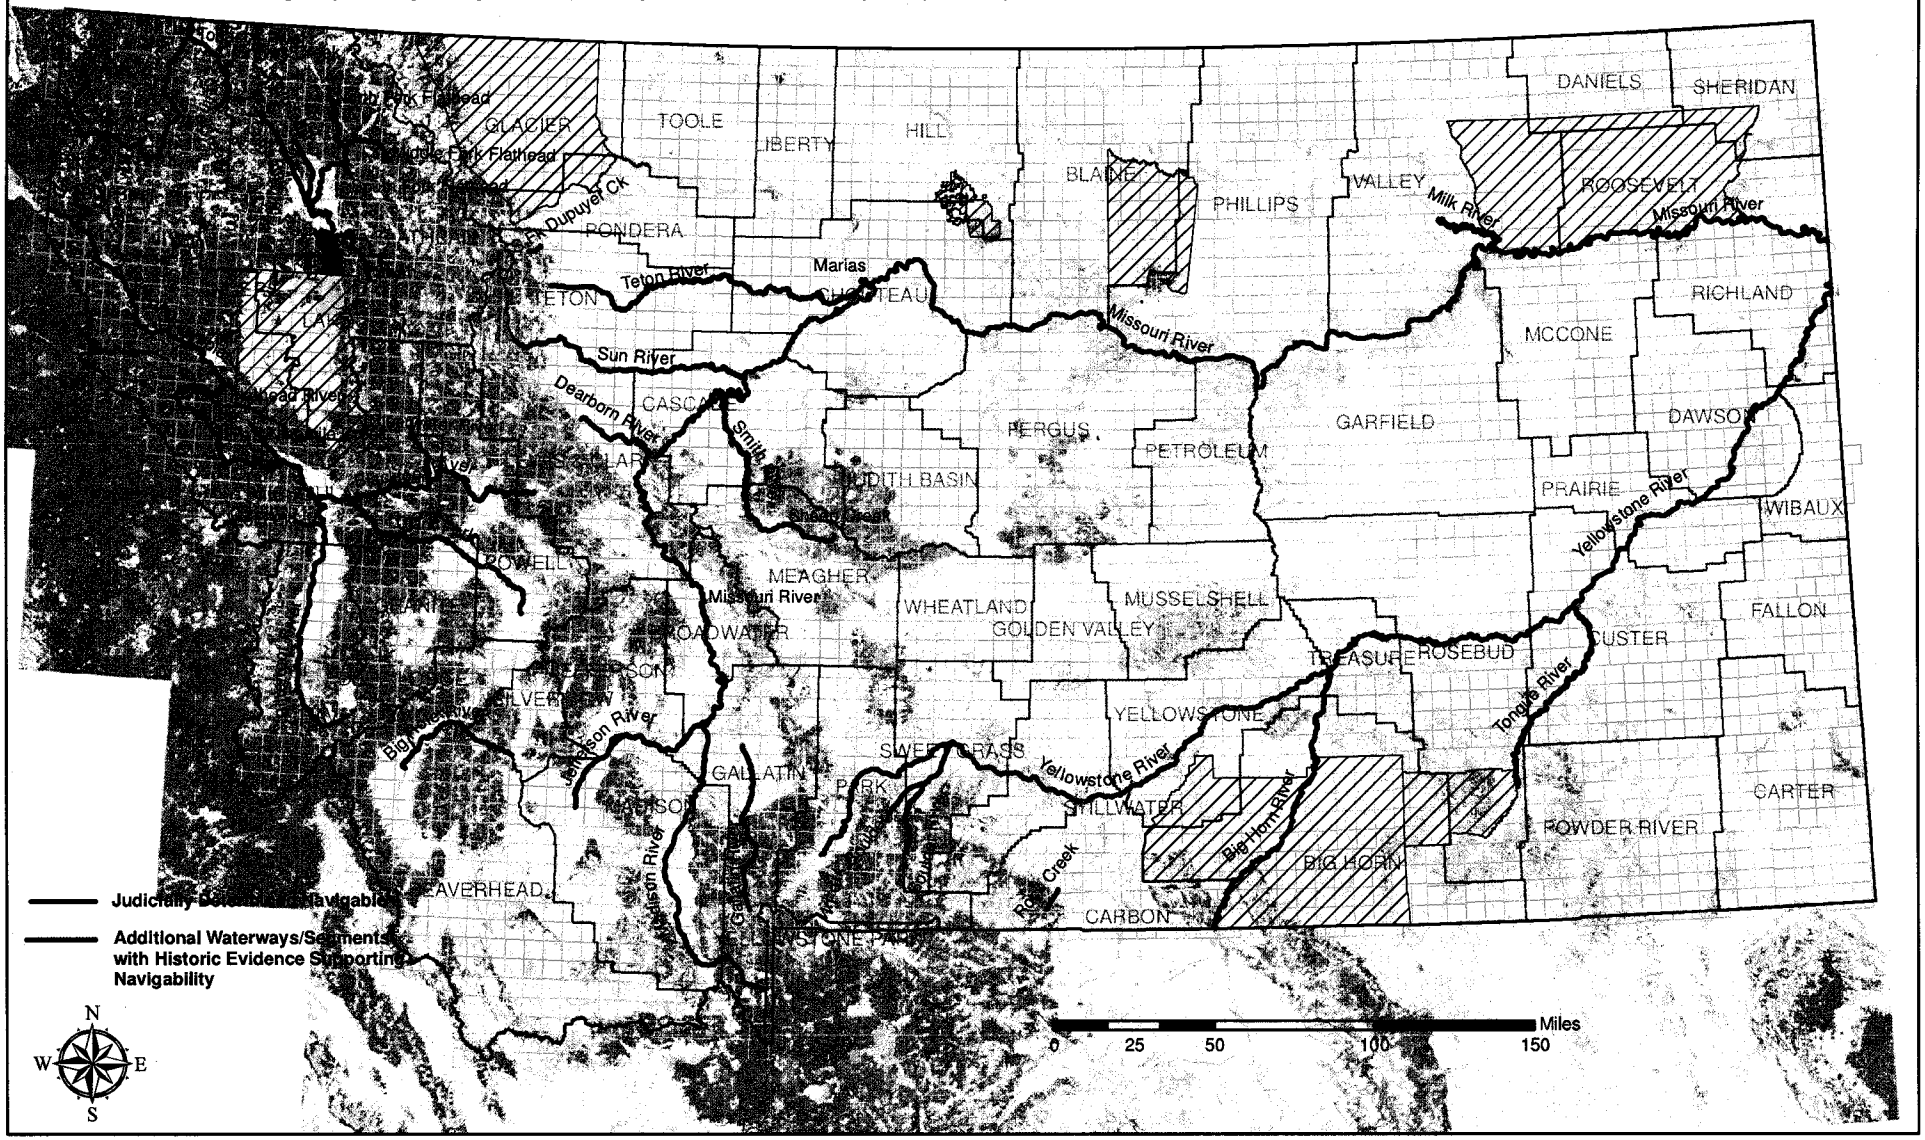
JUDICIALLY DETERMINED NAVIGABLE WATERWAYS OF MONTANA & ADDITIONAL WATERWAYS OR SEGMENTS WITH HISTORIC EVIDENCE SUPPORTING NAVIGABILITY



Red lines and/or polygons indicate watersways and/or segments of waterways in Montana that have been judicially determined as navigable. Purple lines and/or polygons indicate additional waterways and/or segments with historic evidence supporting navigability. The State of Montana owns navigable waterways pursuant to the Equal Footing Doctrine, state statutes, and judicial determination/case law. For more information, contact the Montana Department of Natural Resources and Conservation, Trust Land Management Division at 406-444-2074. June 24, 2010 edition.
