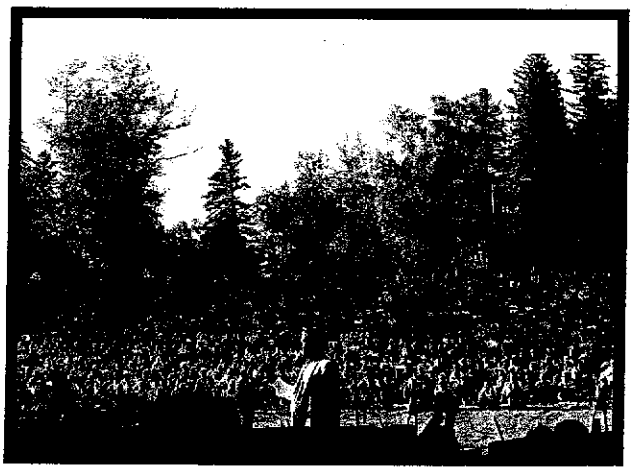
DATE 2/11/05

BILLINGS SYMPHONY ORCHESTRA & CHORALE

Education & Outreach

Billings Symphony

Reaching out across Montana


Billings Symphony musicians participate in outreach programs across Montana, including Symphonic Arts Day for Fourth Graders, the Senior Series and Rural Rhythms, which sends musicians to communities in Carbon, Stillwater, Sweet Grass and Rosebud counties. Symphony in the Park is the Billings Symphony's largest outreach endeavor, and reaches more than 10,000 Montanans each summer through an outdoor pops concert in Pioneer Park in Billings. The Billings Symphony also offers a Free Children's Concert each season focused on families. Past concerts have included Peter and the Wolf, the Story of Babar the little elephant, and this year, Beethoven's Wig, based on the Grammy nominated albums. Musicians also visit local public, private, county and rural schools to introduce orchestral music to students. The BSO also offers student ticket prices and rush tickets to ensure access for all who wish to attend a concert.
