LEGISLATIVE DISTRICT MAPS AND RESOURCES

1. **Paper copies** – limited numbers and details but good overview
   a. 1 per legislator
   b. Pick up at future meetings

2. **Finding the online maps**
   a. Short way: www.leg.mt.gov/districting and select "Final Legislative Districting Plan"
   b. Long way: www.leg.mt.gov and select Interim/Interim Committees/Past Interim Committee/Districting and Apportionment Commission 2011-2012
   c. Foolproof way: Call Rachel Weiss or Joe Kolman for assistance

3. **What's available online**
   a. Google Maps
   b. Google Earth
   c. PDFs of Senate and House Districts (these print!)
   d. Tables
   e. Reports. Lots of reports
   f. Contact information for Rachel Weiss and Joe Kolman

4. **Google Earth**
   a. Advantages: the detail is tremendous
   b. Disadvantages: requires a program download
   c. Joe Kolman is willing and able to help you download the free version to your laptop if you bring it to a future interim committee meeting
   d. If you have a desktop computer and need help, you can call Joe

5. **Other resources**
   a. Census and Economic Information Center (www.ceic.mt.gov) has interactive Census maps
   b. Natural Resource Information system Digital Atlas of Montana: http://maps2.nris.mt.gov/mapper/Legislature1994.asp (old districts)

6. **Contact information**
   a. Joe Kolman, jkolman@mt.gov or 406-444-3747
   b. Rachel Weiss, rweiss@mt.gov or 406-444-5367
