My name is Blaine Heaps. I am a motel owner in West Yellowstone & I would just like to voice my opinion on T J's Restaurant being able to extend their season in the spring & Fall. I know for my business it is good to have another restaurant to recomend to people, one that I know is very good & I get very good comments back from the people I send out to T.J's.

I believe she should have the use of the Beer & Wine license so we all can enjoy her Restaurant.

Thank You

Blaine Heaps
