Hi Senators Cooney and Tester,

Gateway Economic Development Corp supports SB 275. The voluntary statewide genetics program proposed in SB 275 will create economic, health, and social benefits for all Montanans. Therefore, we urge the Senate Finance and Claims committee to pass this legislation.

Unfortunately, I cannot testify since I will be headed east in the early am. If you do get this email prior to the hearing I ask that you enter into the record.

Thank you for carrying this legislation.
