Insert: "250,000 250,000" [state special fund FY06 and FY07]

Explanation - This amendment adds $30,646 of state special revenue each year ($61,292 over the biennium) to restore the caseload contingency fund in the Consumer Counsel to the level recommended by the Governor. The House of Representatives reduced the contingency to the amount expended in FY 2004. The amendment would increase the appropriation to the 2005 biennium appropriated level.
