Driver Ed in a Box®

Product Description

Driver Ed in a Box® is unique. This program was built from the ground up, designed to give both Parents and Teens the tools to have a structured, easy to follow guide which results in a thoroughly trained teen, competent in the processes of Safe, Collision-Free driving. **"If the only tool you have is a hammer, everything looks like a nail."** You need the right tool for the right job, and that's what you get with **Driver Ed in a Box®**. That's what makes **Driver Ed in a Box®** unique - you get appropriate tools to teach the specific tasks to train the beginning driver in the techniques of collision-free driving. No one else has anything comparable to this system.

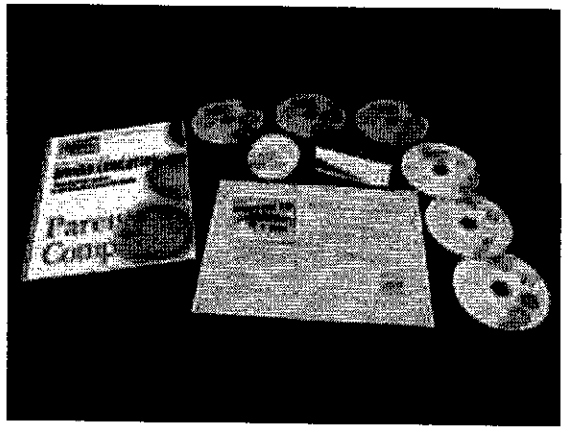
Select one of our Complete Courses!

All Complete Courses include a Certificate of Completion.

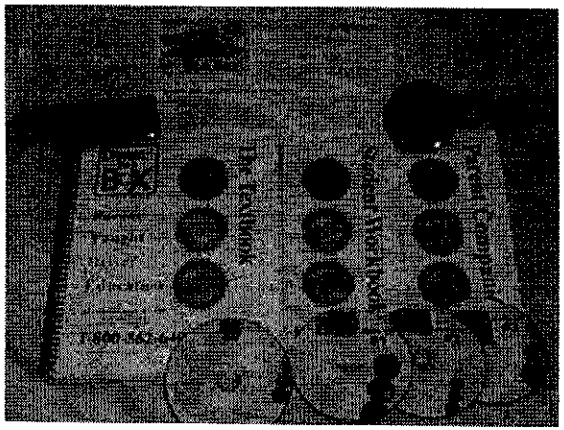
Driver Ed in a Box® is the ONLY program with all materials fully integrated. The 17 Videos, 6 Part Audio Series, Textbook, Student Workbook, Parent Companion and Training Mirrors are all designed to work together to guide Parent and Student as you work together to build the skills and habits needed to become a collision-free driver. *(Note: Textbook, Student Workbook and 17 videos are imbedded into the Interactive Software.)*

Our customers tell us additional benefits of using our course tools are:

- "We know what is expected of each other on every lesson."
- "We simply follow the checklist and imitate the training video. As a parent, I am comfortable I'm not leaving anything out and my teen is comfortable knowing everything we are going over needs to be done."
- "Driver Ed in a Box turns learning to drive into a true 'quality-time' experience."



Item 101, Interactive CD-ROM Version $189.00



Item 102, Textbook Version with DVD $199.00
Item 103, Textbook Version with VHS $199.00*
*(Phone order only)

"There is a lot of material and guidance included in this program for both student and parent. Giving you guidance instructions to keep you calm, to assist you to communicate and know what to expect gave me the strength and confidence to face training my son. The videos showed student and parent exactly how a session in the car should work and why the communication between parent and student is so important." **- Debra S. Rumfield, Spring, Texas**

All complete courses contain:

- **362+ page Driver Ed in a Box – The Textbook** (either on Interactive CD-ROMs or a paper textbook, depending on version of course ordered)
- **Student Workbook** (either on Interactive CD-ROMs with automatic grading by computer or a paper workbook with answer key, depending on version of course ordered)
- **Parent Companion** (a paper Parent Companion comes with all versions of course, for use while working in-vehicle with student)
- **17 Videos** (embedded in 3 Interactive CD-ROMs, on 1 DVD, or on 3 VHS tapes, depending on version of course ordered)
- **6 Part Audio Series** (3 audio CDs included with all versions of course)
- **Training Mirrors** (1 Instructor's Rear View Mirror and 1 Instructor's Eye Check Mirror included with all versions of course)
