Hi Jeff, hope all is going well with you there in Helena. Saw you on the TV the other day too. Just a note to let you know we, the Cascade County DUI Task Force, strongly urges your support for SB 80, Open Container. I won't be able to testify in person, so if you would please use this email as my "proxy" and let the record show our wholehearted support of this vitally important piece of the anti drunk driving puzzle, we would appreciate it. Thanks, Al Recke, Coordinator, Cascade County DUI Task Force
