**COMMENTS:**

In light of the fact that there already exist laws that prohibit disturbance of the peace, laws that are often poorly enforced, in my humble opinion, HB 324 would probably be poorly enforced, too; and passage of it would be redundant. Further consideration of this bill is a waste of valuable time, with my time and the Montana State Legislature. I oppose HB ~~144~~ 324, but if this bill does pass, I will try my best to comply with the letter of the law as difficult it is to understand, by myself, my fellow pro-lifers, and the police who may be called upon to enforce it.

**PLEASE LEAVE PREPARED STATEMENT WITH COMMITTEE SECRETARY**

Thank you for your time today. God bless you.
