To Whom it may Concern:

Human Resource Council did an excellent job on our trailer. Without their help we would not have been able to replace our windows, fix our furnace, Get smoke alarms & CO_2 alarm.

They explained ways to keep our home on a more effisent heat to humitity balance and gave us a thermometer & humidity Barometer. They were curtious, did a neat, fast but thorough job.

We thank them for a job well done.

Sincerely,

Gloria Dix & Steve Serwillger
