Grant #1295
Capital Improvement Grant

Respectfully Requesting Long Range Planning Committee approve the Grant Funds recommended by the Citizens Advisory Committee for Cultural & Aesthetic Projects.

The Recommendation: $15,000

The Funds will be used for a capital improvement project:

- to repair, replace & repoint the brick work on the Archives Building
- replace the windows and doors of the building.

This grant will fund two major components of a 4 million dollar project to preserve the Archives Building and protect the collections it manages.
