Comments on - Mobile Home Replacement.

My name is Mary Ellen VanHoozen I Live at 600-17th Av. So #20 Grandview Tr. Park. Great Falls, MT. 59405. I Live in a 1970-12X60 mobil Home. I have had some insulation installed in The ceiling, That Opertunity's Incorprated did for me. I asked if They could help replace The Window's. Which They didn't have The funds To do This. I got a no intrest Loan from The Gas Co. And replaced 5 of Them. But I have 5 more To do. And replace a front door. I have been Told That my mobil Home is Too old To do This work. So I do hope and pray That The Committies will vote for The Mobil Home Replacements.

Thank you

Mary Ellen VanHoozen
