CHAIRPERSON
HOUSE NATURAL RESOURCES COMMITTEE
STATE CAPITOL

DEAR SIR/MADAM:

I AM IN FAVOR OF HB 753 WHICH CAPS GREENHOUSE GAS EMISSIONS.

ALTHOUGH I'M NOT SURE IF 'CLEAN' COAL IS THE WAY TO GO, I'M PRETTY SURE MONTANA WILL HAVE MANY MORE COAL FIRED GENERATORS IN THE NEAR FUTURE, AND EXPAND EXISTING ONES.

PLEASE DO WHAT YOU CAN TO GET THIS BILL OUT OF COMMITTEE AND ON TO THE HOUSE FLOOR FOR A VOTE.

THANK-YOU -

P.S. THIS IS AN IMPORTANT ISSUE AND DESERVES A HOUSE AND SENATE VOTE
