SENATE LOCAL GOVERNMENT
EXHIBIT NO. 6
DATE 1-12-09
BILL NO. SB 152

Maggie

Raising daughter on my own; will be attending Kinder

Ready for interaction
Ready to learn
Excited to learn

- Will be more prepared + have more confidence when in 1st grade

- From my perspective won't have to bother w/ the logistics of transportation in middle of work day - she won't be passed around from school to daycare to Grandma's while I'm at work.

I submit signatures of Moms/Dads/+ Grandparent who support but couldn't attend. + also sigs of 17 child care providers who support but can't leave the kids to testify.

Please support SB 152 Thank you

As a provider of childcare, I support full day kindergarten and am a proponent of SB152.
