I would like to let you know that I do not believe that anyone should be able to legaly hunt (KILL) at the age of 9 years.

Nona Sloan 3/15/07

I worked in daycare for 3years with 9yr olds and I do not think that they should be able to hunt at such a young age. They just are not ready at sucha young age! Megan Moore

I have nine children and they all made it because we do not have guns!!!
