REPRESENTING Bozeman Peace Seekers + Myself

APPEARING ON WHICH PROPOSAL SJ9

DO YOU: **SUPPORT** ✓ **OPPOSE** _____ **AMEND** _____

COMMENTS:

The Bozeman Peace Seekers have been standing in opposition to the Iraq War since Feb, 2003. Our position that this war was the product of deliberate misinformation has never wavered in the almost 4 years we have stood at the Gallatin County Courthouse every Sat from Noon-4:00.

We do not see the escalation of troops ~~as~~ into Iraq at this time as a new strategy but rather a continuation of a tactic that has not had a lasting effect in the previous escalations or surges.

Montana can make itself proud by ~~by~~ passing this resolution and sending it to the Federal government.

We are supporting the troops by not wanting them to be put in a civil war that we cannot stop and will only lead to more soldiers' deaths.

PLEASE LEAVE PREPARED STATEMENT WITH COMMITTEE SECRETARY
