HOME PHONE 449-2689 WORK PHONE —

REPRESENTING self

APPEARING ON WHICH PROPOSAL SJ-9

DO YOU: SUPPORT ✓ OPPOSE _____ AMEND _____

COMMENTS:

Americans must stand up to the administration to oppose their poorly thought out policy of increasing war in Iraq. Their insistence on escalating a war that a great majority of Americans now see as a grave mistake means that as many groups of Americans as possible need to stand up and speak out against this escalation and this war.

Therefore, the Montana State Legislature should join the majority of Montanans in speaking out against this escalation.

PLEASE LEAVE PREPARED STATEMENT WITH COMMITTEE SECRETARY
