Honorable Committee Members:

On behalf of the City of Cut Bank, we as a governing body would urge your support for further funding for the DNRC Renewable Resource Grant and Loan Program for which we applied.

We received notification the number of projects which were funded was fifty-two. The City of Cut Bank ranked fifty-fifth. The project we applied for is replacement of our antiquated water distribution system. Your support for updating our water lines would be appreciated in order to adequately supply our residents with viable water lines.

Thank you for your time and consideration.

Sincerely,

City of Cut Bank Council Members
