HB HB 191

Hello Representatives

My name is Tiffany Deaton from Msla. and this is my pitbull cross, Mavi. ~~She was~~ I rescued her from abusive owners and if this BSL ~~were~~ was enacted, she would be penalized due to the ~~all~~ actions of other dogs and owners alike. This bill would discriminate against responsible dog owners who fully comply with the laws. It would only shift resources instead of making communities safer with leash, spay/neuter, licensing & dogfighting laws.

This legislation would be hard to enforce and a financial ~~ba~~ burden ~~same for~~ to taxpayers. I am in support of reasonable, enforceable, non-discriminatory legislation governing ownership of all breeds of dogs. Please vote "NO" to House bill 191! Thank you!
