SENATE FINANCE & CLAIMS
Exhibit No. 8
Date 3-18-09
Bill No. SB505

The Munson Ranch has been a ranch for almost 100 years. We are in our 70's and trying to keep it as a ranch. We enjoy having CBM water in our pastures and in our corrals and Ranch House. It is essential to our operation. Without the CBM water we will be forced to sell our cattle and perhaps sub-divide the land.
