Well today is FATHERS DAY & guess who is the lucky contestant.

There are so many things I would like to tell you. I don't always get around to doing it.

First, I very grateful I have a father to be with. One who cares & is willing to share his life with his son. I appreciate that.

For being open minded & trying to understand. I know it isn't easy. But I wanted to say thankyou for allowing me my freedom.

I want to ~~always~~ thankyou as well for all the times you have been there for me. I'll never forget.

My childhood was good, As far as you & me, father & son. I'll never forget all those times either.

You hold a very dear place in my heart, you always will. We have a lot to look forward to together.

Im glad your the guy who is my dad, out of all the others. I'm proud of you. Again I want to show you my gratitude, appreciation & to say thank-you. Dad.

I LOVE YOU
HAPPY FATHERS DAY
YOUR SON,

Father David L Graham
