EXHIBIT #12
DATE Jan 25th
HB 242

Reasons for voting yes on HB 242

1) More Costly for separate elections.

2) Situation now gives special interest groups the opportunity to have their candidates put on the school boards.

3) Allow the voters to choose better qualified candidates because there are limited opportunities in a second or separate election.

I am urging you to vote YES on HB 242.
