Subject: payroll- please help

Hi Susan,
I am stuck in payroll. I forgot to change the check number. It prompted me to do that so I hit cancel, changed the check number and now it is stuck.I can see how much I need to write each check for but it will not move forward so I can print off a pay stub for each of the employees.
Can you help? I'm going to see if you can walk Scott through whatever must be done next.
thanks!
C
