We are in recovering from the relocation of the wolf. We had the sell sheep part of our ranch Because of them. Sold $50 bred ewes today thier $200. dm into the wolf program: $49,000. the bison program ~~mitt~~ would probably work but not with the Fish + wildlife parks. the way they care for the wolf was a joke. the decenses from battle would close us down. We have been here paying taxes since 1872.
