2009 Change in value from time of Certification to July 27, 2010.

Montana Department of Revenue

Changes in value are attributable to a wide variety of factors including but not limited to the EPTAP program, extended deadlines for taxpayers to apply for the PTAP and DAV programs; agricultural land reclassification; utility allocation revisions; and diverse, localized value adjustments on individual properties.

2009 Change in value from time of Certification to July 27, 2010.

Montana Department of Revenue

Changes in value are attributable to a wide variety of factors including but not limited to the EPTAP program, extended deadlines for taxpayers to apply for the PTAP and DAV programs; agricultural land reclassification; utility allocation revisions; and diverse, localized value adjustments on individual properties.
