My name is ...Kim Adams, a water user of
From ..... St. Ignatius

I support a 2 year extension for the Reserved Montana Water Rights Compact Commission because.....

and I need the 2 year extension because it will provide the necessary time to.....

this a very complex issue that affects my family both enrolled members and non-natives as is and is our 1 time shot to get it right for all involved

Better understand the pros & cons of the ~~compact~~ Document and support all that is fair but not that which is not fair
