[1]Fees will be set to cover costs. Registration is one time only unless there is a significant change in the operation.

[2]In the past, permits have gone through the state. Will now have uniform department rules enforced locally. There are two types, temporary or reoccuring, done locally so fees stay there.

[3]Businesses with a wholesale license will no longer be required to buy a temporary permit to offer samples at a market or trade show.

Fees will be set in rule and vary according to the complexity of the business. In the past, big box stores only pay $30 more than a temporary or mobile business. The $115 fee is likely to go up for Walmart and other large operations (4 hour vs 30 minute inspection)
