COMMENTS:

please vote YES on the personhood amendment. There are voluminous laws protecting wildlife fetuses. The human zygote, fetus, must be protected at least equally w/ wildlife fetuses. The human fetus must be allowed to develop fully + be birthed. Certainly they are as, more so I think, valuable as animal fetuses. It is legally untenable to support animal fetuses (protect them) and not human fetuses. It is irrational + unreasonable to protect animal fetuses and not human fetuses. Please vote for the personhood amendment.

Thank you.
