EA Checklist
T04S;R15W;Sec.27
Sagebrush Spraying

The proposed action is the aerial spraying of herbicide for removing sagebrush, and improving range condition and carrying capacity. The SCS has inspected the site and will cost-share with the lessee in the sagebrush eradication. The Department of Fish Wildlife and Parks has also examined the site and has cleared the project with regards to wildlife.

9. A lease renewal evaluation was conducted in September,1982.
