LVL is for additional area for construction of line covered in EA for the ROW, LVL has been discussed with Dept Archeologist. I recommend approval of the LVL.

Prepared by: Robert Vlahovich Title HV Mgr.

Based on my review of the above action I have included that a EA is/(is not) required
(Circle appropriate response.)

because: Previous field for R/W request found no significant impacts and this L.V.L. is meant to accommodate the installation of the fiber optic line.
