AGENDA (Attachment 2)

COMMITTEE ACTIONS

The Energy and Telecommunications Interim Committee (ETIC):

- Adopted the ETIC work plan;
- Adopted the minutes log from July 31;
- Voted to send the questions drafted by staff and discussed by the committee to Montana Dakota Utilities regarding natural gas customer choice;
- Agreed to create framework for a bill to define long-term contract for Qualifying Facilities.

CALL TO ORDER AND ROLL CALL

00:00:01 Sen. McNally called the meeting to order at 8:01 a.m. The secretary called the roll. **(Attachment 3)** Sen. Sales and Sen. Wolken were excused.

ADMINISTRATIVE MATTERS

ETIC Final Work Plan

00:01:02 Sonja Nowakowski, director, Office of Research and Policy Analysis, Legislative Services Division (LSD), said ETIC members received a copy of the final interim committee work plan. **(Exhibit 1)**

00:02:54 Ms. Nowakowski said the ETIC has dedicated .05 FTE to a programmatic review. She said the committee needs to select what subject, from the Public Service Commission (PSC) list **(Exhibit 2)**, or other PSC issues, it wants to have a programmatic review completed on.

00:03:31 Ms. Nowakowski said committee members received a memo from the PSC on the regulation of small water utilities in Montana, with its recommendations, and is requesting that the ETIC study the issue during the interim and provide direction for possible legislation. **(Exhibit 3)**

00:03:53 Ms. Nowakowski said committee members received copies of public comment from stakeholders on the regulation of small water utilities **(Exhibit 4)** and information from the Montana Consumer Counsel. **(Exhibit 5)** She said the ETIC needs to decide what it wants to do for its program review.

00:04:47 Ms. Nowakowski discussed potential travel for the May 17-18, 2018 committee meeting. She said the committee received a memo from Susan Fox, executive director, LSD, outlining potential budget reduction plans for all interim committees **(Exhibit 6)** and provided an update of the ETIC budget.

Public comment

00:07:17 Jason Brown, Montana Consumer Council.
00:17:08 Debra Wolfe, Holmberg Village Water Company LLC.
00:19:02 Justin Kraske, chief legal counsel, PSC (see Exhibit 3).

Committee questions and discussion

00:26:19 Sen. Richmond asked Mr. Kraske about the definition for a small water utility.
00:27:11 Sen. Richmond asked Mr. Kraske if two customers would be considered a regulated utility.
00:28:05 Sen. Richmond asked Mr. Kraske about the number of small water utilities in the state.
00:28:49 Rep. Skees asked Mr. Brown if small water users create a limited liability company (LLC) to fund and pay for wells and sewers or if they pay for the wells and sewers and then create an LLC to run it.
00:29:54 Rep. Skees asked Ms. Wolfe how the water and sewer systems were funded for the Holmberg Village Water Company LLC.
00:30:25 Rep. Skees asked Ms. Wolfe how the LLC is managed.
00:31:14 Rep. Skees asked Ms. Wolfe about the procedure for water users to contact the LLC to address any problems or concerns.
00:32:09 Sen. McNally opened discussion on the work plan ([Exhibit 7](#)) and said she recommends taking staff time away from the study of renewable energy credits and moving it to programmatic review.
00:33:56 Rep. Bishop asked staff about the FTE and what time it allows.
00:35:33 Sen. McNally said there is a breakdown of FTE included in the material provided.
00:35:51 Rep. Skees said he agrees with Sen. McNally's recommendation.
00:36:12 Ms. Nowakowski asked if the committee wants to do a program review only on small water users or if it wants to include additional topics. Sen. McNally said she recommends including a program review on supply resource planning and integrated resource planning.
00:37:31 Rep. Skees asked Sen. McNally about the topics for the program review. Sen. McNally said the review on supply resource planning and integrated resource planning are interconnected and would be considered as one review. Ms. Nowakowski provided additional information.
00:39:14 Rep. Skees asked staff about the effect of taking FTE away from the study of renewable energy credits.
00:40:03 Rep. Skees asked if additional items can be added to the programmatic review during the interim. Sen. McNally said yes, but it will be limited by the amount of FTE.

Motion

00:40:45 Rep. Skees moved to adopt the final work plan with the two program reviews as discussed.

Discussion on the Motion

00:40:51 Sen. McNally
00:40:56 Rep. Skees
00:40:58 Ms. Nowakowski

Vote

00:41:14 The motion carried unanimously by voice vote of those present and voting.

Adoption of July meeting minutes

Motion/Vote

00:41:42 Rep. Skees moved to adopt the minutes from July 31. The motion carried unanimously by voice vote of those present and voting.

OTHER BUSINESS/INSTRUCTIONS TO STAFF

Budget Update

- 06:44:18 Mr. Graff said the committee received a memo from Susan Fox, executive director, LSD, regarding potential interim committee budget cuts. (see Exhibit 6) He said the ETIC has approximately \$38,000 in its budget.

Committee discussion

- 06:45:45 Sen. McNally said the committee can wait to decide if it wants to have a meeting away from Helena.
- 06:46:09 Mr. Graff said the Department of Environmental Quality (DEQ) has released its wind generation facility bonding rules (**Exhibit 17**) and is having a stakeholder meeting on October 5.
- 06:46:44 Sen. McNally asked Mr. Graff if he will be attending the meeting. Mr. Graff said he will.
- 06:46:52 Mr. Walker said the purview for the rule is within the Environmental Quality Council, but they thought the ETIC should also look at the rule. He said the intention of the DEQ is to have the rule adopted before the end of the year.
- 06:47:24 Sen. McNally said the rule will be finalized before the ETIC meets again. Mr. Walker agreed.
- 06:47:46 Sen. McNally asked staff to provide the committee with an update after the meeting in October in case they have feedback. Mr. Graff said he will.
- 06:48:19 Mr. Walker said the draft rules were only received this week.
- 06:48:31 Sen. McNally encouraged committee members to look at the rule.

Review of January Meeting Items

- 06:48:48 Mr. Graff discussed the items on the agenda for the January 16 meeting.
- 06:51:07 Ms. Nowakowski said the agenda items will be updated to reflect the actions taken by the committee today.

- 06:51:26 Sen. McNally asked staff about devoting time to regulating small water utilities and integrated resource planning and scheduling the topics on separate meeting dates.
- 06:52:38 Sen. McNally said she will work with staff on bringing someone in to have a general discussion on energy storage and not just energy storage in Montana.

SJ 31: DECOUPLING

- 06:55:09 Mr. Graff gave a PowerPoint presentation on decoupling and decoupling policy in western states. **(Exhibit 18)** Mr. Graff said more information is included in the report that committee members received. **(Exhibit 19)**
- 07:05:51 Rep. Bishop asked Mr. Graff about the meaning of weather-normalized sales.
- 07:06:40 Mr. Graff continued his presentation.
- 07:17:10 Sen. McNally commented on the presentation and what is being done in other states.

Public comment

- 07:18:52 Jason Brown, Montana Consumer Council.
- 07:24:25 Diego Rivas, Northwest Energy Coalition.
- 07:30:05 Doug Hardy, Montana Electric Cooperatives' Association.

Committee questions and discussion

- 07:31:29 Sen. McNally asked Mr. Rivas about the reasons for putting in a rate cap.
- 07:35:05 Rep. Bishop commented on and asked about next steps.
- 07:37:01 Mr. Graff said it appears the committee is looking for a perspective on the "why" and not the "how" and asked if there is someone in Montana that can be used as a resource.
- 07:37:37 Sen. McNally said there are resources available and that it is important to determine the pros and cons and finding examples of doing it right and wrong.
- 07:39:55 Mr. Graff asked Sen. McNally about next steps.
- 07:40:39 Rep. Zolnikov thanked staff for the information.
- 07:40:57 Sen. McNally said it is a complicated issue and that she will work with staff on next steps.

ENCOURAGING INVESTMENT IN MONTANA ENERGY

- 07:41:50 Rep. Zolnikov commented on why the study is important and discussed the topics on the agenda today.
- 07:43:03 Ms. Nowakowski said the work plan dedicates time and resources for a review of opportunities for developing Montana's energy resources. She said she worked with Rep. Zolnikov and the committee will receive information from developers, and staff will provide summaries, regarding regulations and incentives. She said the committee received a summary that was prepared by staff introducing the topic. **(Exhibit 20)**

- 07:45:41 Sean Becker, administrator, Montana Office of Tourism and Business Development, Department of Commerce, provided an introduction to a PowerPoint presentation on marketing and developing Montana's energy sector. **(Exhibit 21)**
- 07:47:20 Tom Kaiserski, chief, Research and Information Services Bureau, Department of Commerce, discussed the areas that the department is working on to develop Montana's energy sector.
- 08:12:32 Larry Johnson, president, Montana Photonics Industry Alliance, gave a PowerPoint presentation on photonics, the Montana photonics cluster in the Bozeman and Gallatin valley area, and actions being taken and opportunities. **(Exhibit 22)**
