STATE TRAININGS

JULY 1, 2016- AUGUST 1, 2017

“The rules local governments have to abide by are far more grueling than a private business. The LGC keeps not only the clerks, but Mayors and Councils informed.”

-Agnes Fowler,
Finance Officer, City of Conrad

“The LGC provides crucial training and technical assistance for counties, and in Lewis and Clark County it is evident we have benefited as a result of competent LGC guidance.”

-Andy Hunthausen,
Lewis and Clark County Commissioner

“The LGC is a valuable resource for our local government and one we will continue to utilize into the future.”

-Julie Pooley,
Deer Lodge Clerk of Commission
