Because the use of wire transfers as a means of transferring funds between accounts is becoming increasingly common, it is appropriate to incorporate specific language into existing law to address these transactions and to require full disclosure.

2. *Legislation intends to do what?*

Clarify and authorize use of wire transfers for campaign finance while defining and requiring full disclosure consistent with other aspects of the campaign disclosure laws and rules.

3. *What section of MCA?*

Title 13; Chapter 37

4. *Funding?*

No additional funding required.

5. *Previously introduced? Model act?*

We will research availability of a model statute.
