(2) In addition to the bonds allowed by subsection (1), a county may issue bonds for the

construction or improvement of a detention center that will not exceed 12.5% of the taxable value of the property in the county subject to taxation, plus the adjustments permitted by subsection (1).

(3) The limitation in subsection (1) does not apply to refunding bonds issued for the purpose of paying or retiring county bonds lawfully issued prior to January 1, 1932, or to bonds issued for the repayment of tax protests lost by the county."

Section 4. Section 7-14-2524, MCA, is amended to read:

"7-14-2524. Limitation on amount of bonds issued -- excess void. (1) Except as otherwise provided in 7-7-2203, 7-7-2204, and this section, a county may not issue bonds that, with all outstanding bonds and warrants except emergency bonds, will exceed 11.25% of the total of the taxable value of the property in the county plus:

(a) (i) the value provided by the department of revenue under 15-36-324(13). The taxable property and the amount of taxes levied on new production, production from horizontally completed wells, and incremental production must be ascertained by the last assessment for state and county taxes prior to the issuance of the bonds.

(ii) an additional 50% of the taxable value of telecommunications property under 15-6-141 within the county for tax year 1999, multiplied by 11.25%, and an additional 50% of the taxable value attributable to electrical generation property under 15-6-141 within the county for tax year 1999, multiplied by 11.25%;

(b) for fiscal year 2001, an additional 25% of the taxable value of class six property within the county for tax year 1999, multiplied by 11.25%, and an additional 60% of the taxable value of class eight property within the county for tax year 1999, multiplied by 11.25%;

(c) for fiscal year 2002, an additional 50% of the taxable value of class six property within the county for tax year 1999, multiplied by 11.25%, and an additional 60% of the taxable value of class eight property within the county for tax year 1999, multiplied by 11.25%; and

(d) for fiscal year 2003, an additional 75% of the taxable value of class six property within the county for tax year 1999, multiplied by 11.25%, and an additional 60% of the taxable value of class eight property within the county for tax year 1999, multiplied by 11.25%~~;~~

~~(e) for fiscal years in which the tax rate for class eight property is 2%, an additional 100% of the taxable value of class six property within the county for tax year 1999, in each case of class six property,~~

~~multiplied by 11.25%, and an additional 77% of the taxable value of class eight property within the county for tax year 1999, multiplied by 11.25%;~~

~~(f) for fiscal years in which the tax rate for class eight property is 1%, an additional 94% of the taxable value of former class eight property within the county for tax year 1999, in each case of former class eight property, multiplied by 11.25%; and~~

~~(g) for the fiscal year and succeeding fiscal years in which 15-6-138 is repealed, an additional 100% of the taxable value of former class eight property within the county for tax year 1999, in each case of former class eight property, multiplied by 11.25%~~.

(2) A county may issue bonds that, with all outstanding bonds and warrants, exceeds 11.25% but does not exceed 22.5% of the total of the taxable value of the property, as adjusted in subsection (1), plus an additional 50% of the taxable value of telecommunications property under 15-6-141 within the county for tax year 1999, multiplied by the amount that exceeds 11.25% but does not exceed 22.5% and an additional 50% of the taxable value attributable to electrical generation property under 15-6-141 within the county for tax year 1999, multiplied by the amount that exceeds 11.25% but does not exceed 22.5%, when necessary for the purpose of replacing, rebuilding, or repairing county buildings, bridges, or highways that have been destroyed or damaged by an act of God or by a disaster, catastrophe, or accident.

(3) The value of the bonds issued and all other outstanding indebtedness of the county may not exceed 22.5% of the total of the taxable value of the property within the county, as adjusted in this section."

Section 5. Section 7-16-2327, MCA, is amended to read:

"7-16-2327. Indebtedness for park purposes. (1) Subject to the provisions of subsection (2), a county park board, in addition to powers and duties given under law, may contract an indebtedness in behalf of a county, upon the credit of the county, in order to carry out its powers and duties.

(2) (a) The total amount of indebtedness authorized to be contracted in any form, including the then-existing indebtedness, may not at any time exceed 13% of the total of the taxable value of the taxable property in the county, as ascertained by the last assessment for state and county taxes previous to the incurring of the indebtedness, plus:

(i) the value provided by the department of revenue under 15-36-324(13);

(ii) an additional 50% of the taxable value of telecommunications property under 15-6-141 within the city or town for tax year 1999, multiplied by 13%, and an additional 50% of the taxable value attributable to electrical generation property under 15-6-141 within the county for tax year 1999, multiplied by 13%;

(iii) for fiscal year 2001, an additional 25% of the taxable value of class six property within the county for tax year 1999, multiplied by 13%, and an additional 60% of the taxable value of class eight property within the county for tax year 1999, multiplied by 13%;

(iv) for fiscal year 2002, an additional 50% of the taxable value of class six property within the county for tax year 1999, multiplied by 13%, and an additional 60% of the taxable value of class eight property within the county for tax year 1999, multiplied by 13%; <u>and</u>

(v) for fiscal year 2003, an additional 75% of the taxable value of class six property within the county for tax year 1999, multiplied by 13%, and an additional 60% of the taxable value of class eight property within the county for tax year 1999, multiplied by 13%~~;~~

~~(vi) for fiscal years in which the tax rate for class eight property is 2%, an additional 100% of the taxable value of class six property within the county for tax year 1999, in each case of class six property, multiplied by 13%, and an additional 77% of the taxable value of class eight property within the county for tax year 1999, multiplied by 13%;~~

~~(vii) for fiscal years in which the tax rate for class eight property is 1%, an additional 94% of the taxable value of former class eight property within the county for tax year 1999, in each case of former class eight property, multiplied by 13%; and~~

~~(viii) for the fiscal year and succeeding fiscal years in which 15-6-138 is repealed, an additional 100% of the taxable value of former class eight property within the county for tax year 1999, in each case of former class eight property, multiplied by 13%~~.

(b) Money may not be borrowed on bonds issued for the purchase of lands and improving the land for any purpose until the proposition has been submitted to the vote of those qualified under the provisions of the state constitution to vote at the election in the affected county and a majority vote is cast in favor of the bonds."

Section 6. Section 15-6-138, MCA, is amended to read:

"15-6-138. ~~(Temporary)~~ Class eight property -- description -- taxable percentage <u>-- exemption</u>. (1) Class eight property includes:

(a) all agricultural implements, machinery, and equipment that are not exempt under 15-6-201(1)(bb);

(ii) agricultural property owned by a purely public charity is not exempt if the agricultural property is used by the charity to produce unrelated business taxable income as that term is defined in section 512 of the Internal Revenue Code, 26 U.S.C. 512. A public charity claiming an exemption for agricultural property shall file annually with the department a copy of its federal tax return reporting any unrelated business taxable income received by the charity during the tax year, together with a statement indicating whether the exempt property was used to generate any unrelated business taxable income.

(b) For the purposes of subsection (1)(g), the term "public museums, art galleries, zoos, and observatories" means governmental entities or nonprofit organizations whose principal purpose is to hold property for public display or for use as a museum, art gallery, zoo, or observatory. The exempt property includes all real and personal property reasonably necessary for use in connection with the public display or observatory use. Unless the property is leased for a profit to a governmental entity or nonprofit organization by an individual or for-profit organization, real and personal property owned by other persons is exempt if it is:

(i) actually used by the governmental entity or nonprofit organization as a part of its public display;

(ii) held for future display; or

(iii) used to house or store a public display.

(3) For the purposes of subsection (1)(bb):

(a) "industrial dairy" means a large-scale dairy operation with 1,000 or more milking cows and includes the dairy livestock and integral machinery and equipment that the dairy uses to produce milk and milk products solely for export from the state, either directly by the dairy or after the milk or milk product has been further processed by an industrial milk processor. After export, any unprocessed milk must be further processed into other dairy products.

(b) "industrial milk processor" means a facility and integral machinery used solely to process milk into milk products for export from the state.

(4) The following portions of the appraised value of a capital investment in a recognized nonfossil form of energy generation or low emission wood or biomass combustion devices, as defined in 15-32-102, are exempt from taxation for a period of 10 years following installation of the property:

(a) $20,000 in the case of a single-family residential dwelling;

(b) $100,000 in the case of a multifamily residential dwelling or a nonresidential structure.

15-6-201. (Effective January 1, 2003) Exempt categories. (1) The following categories of property are exempt from taxation:

(a) except as provided in 15-24-1203, the property of:

(i) the United States, except:

(A) if congress passes legislation that allows the state to tax property owned by the federal government or an agency created by congress; or

(B) as provided in 15-24-1103;

(ii) the state, counties, cities, towns, and school districts;

(iii) irrigation districts organized under the laws of Montana and not operating for profit;

(iv) municipal corporations;

(v) public libraries; and

(vi) rural fire districts and other entities providing fire protection under Title 7, chapter 33;

(b) buildings, with land that they occupy and furnishings in the buildings, that are owned by a church and used for actual religious worship or for residences of the clergy, together with adjacent land reasonably necessary for convenient use of the buildings;

(c) property used exclusively for agricultural and horticultural societies, for educational purposes, and for nonprofit health care facilities, as defined in 50-5-101, licensed by the department of public health and human services and organized under Title 35, chapter 2 or 3. A health care facility that is not licensed by the department of public health and human services and organized under Title 35, chapter 2 or 3, is not exempt.

(d) property that is:

(i) owned and held by an association or corporation organized under Title 35, chapter 2, 3, 20, or 21;

(ii) devoted exclusively to use in connection with a cemetery or cemeteries for which a permanent care and improvement fund has been established as provided for in Title 35, chapter 20, part 3; and

(iii) not maintained and operated for private or corporate profit;

(e) subject to subsection (2), property that is owned or property that is leased from a federal, state, or local governmental entity by institutions of purely public charity if the property is directly used for purely public charitable purposes;

(f) evidence of debt secured by mortgages of record upon real or personal property in the state of Montana;

(g) public museums, art galleries, zoos, and observatories that are not used or held for private or corporate profit;

(h) all household goods and furniture, including but not limited to clocks, musical instruments, sewing machines, and wearing apparel of members of the family, used by the owner for personal and domestic purposes or for furnishing or equipping the family residence;

Section 8. Section 15-8-301, MCA, is amended to read:

"15-8-301. Statement -- what to contain. (1) The department may require from a person a statement under oath setting forth specifically all the real and personal property owned by, in possession of, or under the control of the person at midnight on January 1. The statement must be in writing, showing separately:

(a) all property belonging to, claimed by, or in the possession or under the control or management of the person;

(b) all property belonging to, claimed by, or in the possession or under the control or management of any firm of which the person is a member;

(c) all property belonging to, claimed by, or in the possession or under the control or management of any corporation of which the person is president, secretary, cashier, or managing agent;

(d) the county in which the property is situated or in which the property is liable to taxation and, if liable to taxation in the county in which the statement is made, also the city, town, school district, road district, or other revenue districts in which the property is situated;

(e) an exact description of all lands, improvements, and personal property;

(f) all depots, shops, stations, buildings, and other structures erected on the space covered by the right-of-way and all other property owned by any person owning or operating any railroad within the county.

(2) (a) The department shall notify the taxpayer in the statement for reporting personal property owned by a business or used in a business that the statement is for reporting business equipment and other business personal property described in Title 15, chapter 6, part 1.

(b) A taxpayer owning ~~exempt~~, in single ownership, business equipment within a county that in the aggregate is equal to or less than the market value of exempt property specified in 15-6-138 and 15-6-201(1)(r) for the appropriate tax year is not subject to reporting requirements. A taxpayer owning, in single ownership, business equipment within a county the total market value of which exceeds the market value of exempt property specified in 15-6-138 and 15-6-201(1)(r) for the appropriate tax year is subject to limited reporting requirements on the exempt portion of property~~;~~. ~~however, all~~ However, a new ~~businesses~~ business shall report ~~their~~ its class eight property so that the department can determine the market value of the property. The department shall by rule develop reporting requirements for business equipment to limit the annual reporting of exempt business equipment to the extent feasible.

(3) Whenever one member of a firm or one of the proper officers of a corporation has made a statement showing the property of the firm or corporation, another member of the firm or another officer is not required to include the property in that person's statement but the statement must show the name of the person or officer who made the statement in which the property is included.

(4) The fact that a statement is not required or that a person has not made a statement, under oath or otherwise, does not relieve the person's property from taxation."

Section 9. Section 15-32-405, MCA, is amended to read:

"15-32-405. Exclusion from other tax incentives. If a credit is claimed for an investment pursuant to this part, no other state energy or investment tax credit, including but not limited to the tax credits allowed by 15-30-162 and 15-31-123 through 15-31-125, may be claimed for the investment. Property tax reduction allowed by 15-6-201~~(3)~~(4) may not be applied to a facility for which a credit is claimed pursuant to this part."

Section 10. Section 20-9-406, MCA, is amended to read:

(i) (A) for bonds to be issued during fiscal years 1999 through 2008, an additional 33% of the taxable value of class eight property within the district for tax year 1995, multiplied by 90%; and

(B) an additional 50% of the taxable value of telecommunications property under 15-6-141 within the district for tax year 1999, multiplied by 90%, and an additional 50% of the taxable value attributable to electrical generation property under 15-6-141 within the district for tax year 1999, multiplied by 90%;

(ii) for bonds to be issued during fiscal year 2001, an additional 25% of the taxable value of class six property within the district for tax year 1999, multiplied by 90%, and an additional 60% of the taxable value of class eight property within the district for tax year 1999, multiplied by 90%;

(iii) for bonds to be issued during fiscal year 2002, an additional 50% of the taxable value of class six property within the district for tax year 1999, multiplied by 90%, and an additional 60% of the taxable value of class eight property within the district for tax year 1999, multiplied by 90%; and

(iv) for bonds to be issued during fiscal year 2003, an additional 75% of the taxable value of class six property within the district for tax year 1999, multiplied by 90%, and an additional 60% of the taxable value of class eight property within the district for tax year 1999, multiplied by 90%~~;~~

~~(v) for bonds to be issued during fiscal years in which the tax rate for class eight property is 2%, an additional 100% of the taxable value of class six property within the district for tax year 1999, in each case of class six property, multiplied by 90%, and an additional 77% of the taxable value of class eight property within the district for tax year 1999, multiplied by 90%;~~

~~(vi) for bonds to be issued during fiscal years in which the tax rate for class eight property is 1%, an additional 94% of the taxable value of former class eight property within the district for tax year 1999, in each case of former class eight property, multiplied by 90%; and~~

~~(vii) for bonds to be issued during the fiscal year and succeeding fiscal years in which 15-6-138 is repealed, an additional 100% of the taxable value of former class eight property within the district for tax year 1999, in each case of former class eight property, multiplied by 90%~~.

(c) The total indebtedness of the high school district with an attached elementary district must be limited to the sum of 45% of the taxable value of the property for elementary school program purposes and 45% of the taxable value of the property for high school program purposes, adjusted as provided in this section.

(d) (i) The maximum amount for which an elementary district or a high school district with a district mill value per elementary ANB or per high school ANB that is less than the corresponding statewide mill value per elementary ANB or per high school ANB may become indebted by the issuance of bonds, including all indebtedness represented by outstanding bonds of previous issues and registered warrants, is 45% of the corresponding statewide mill value per ANB times 1,000 times the ANB of the district. For a K-12 district, the maximum amount for which the district may become indebted is 45% of the sum of the statewide mill value per elementary ANB times 1,000 times the elementary ANB of the district and the statewide mill value per high school ANB times 1,000 times the high school ANB of the district.

(ii) If mutually agreed upon by the affected districts, for the purpose of calculating its maximum bonded indebtedness under this subsection (1)(d), a district may include the ANB of the district plus the number of students residing within the district for which the district or county pays tuition for attendance at a school in an adjacent district. The receiving district may not use out-of-district ANB for the purpose of calculating its maximum indebtedness if the out-of-district ANB has been included in the ANB of the sending district pursuant to the mutual agreement.

(2) The maximum amounts determined in subsection (1), however, may not pertain to indebtedness imposed by special improvement district obligations or assessments against the school district or to bonds issued for the repayment of tax protests lost by the district. All bonds issued in excess of the amount are void, except as provided in this section.

(3) When the total indebtedness of a school district has reached the limitations prescribed in this section, the school district may pay all reasonable and necessary expenses of the school district on a cash basis in accordance with the financial administration provisions of this chapter.

(4) Whenever bonds are issued for the purpose of refunding bonds, any money to the credit of the debt service fund for the payment of the bonds to be refunded is applied toward the payment of the bonds and the refunding bond issue is decreased accordingly."
