Fiscal Analysis

ASSUMPTIONS:

1. There are no requirements of the state in this bill.
2. It is possible that the cost of state school facility payments would be slightly decreased at some point in the future, as a result of lower bond payments in districts with subdivisions. This decrease, if it occurs would be very slight and not likely in the current biennium.

EFFECT ON COUNTY OR OTHER LOCAL REVENUES OR EXPENDITURES:

Local governments may incur minor administrative costs associated with this bill.
