## Fiscal Analysis

### ASSUMPTIONS:

1. Projects would not be recommended for TSEP funding until the 2003 Legislature, to be funded during the 2005 biennium, so there is no fiscal impact on proposed TSEP grant expenditures in the 2003 biennium. Administrative expenditures resulting from evaluating and ranking any telecommunications infrastructure project applications during the 2003 biennium would be absorbed through the currently proposed 2003 biennium budget.
