## Fiscal Analysis

### ASSUMPTIONS:

1. Department of Justice assumes there will be a cost but until there is experience with this implementation, the cost cannot be specifically identified. Although the department will absorb any costs for the 2003 biennium, if substantial costs are identified, the department will address the issue through the 2005 budget submission.
2. The Information Services Division, Department of Administration (DoA), will absorb the extra duties and responsibilities of SB 131.
