Fiscal Analysis

ASSUMPTIONS:

Department of Commerce:

1. SB 243 proposes to allow an orderly transition to competitive markets for electricity supply, and generally revises electric utility industry restructuring. Although the bill does reference the Board of Investments, it does not propose to modify or change current law relative to the board, and therefore has no fiscal impact on the department.

Montana Public Service Commission:

2. There is no fiscal impact to the Public Service Commission.
