21
22 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

23
24 **NEW SECTION. Section 1. Association election to continue reinsurance.** (1) Within 1 year after
25 the coverage date, which is the date that the association becomes responsible for the obligations of a member
26 insurer, the association may elect to succeed to the rights and obligations of a member insurer that accrued on
27 or after the coverage date under an indemnity reinsurance agreement entered into by the member insurer as
28 the ceding insurer. The association may not exercise an election with respect to a reinsurance agreement if the
29 rehabilitator or liquidator of the member insurer has previously expressly disaffirmed the agreement.

30 (2) The election to succeed to the rights and obligations of the member insurer must be accomplished

1 through notice to the supervisor, rehabilitator, or liquidator and to the affected reinsurers.

2 (3) If the association makes an election, the association:

3 (a) is responsible for all unpaid premiums due under the agreements for the periods before and after
4 the coverage date and is responsible for the performance of all obligations to be performed after the coverage
5 date in each contract covered, either in whole or in part, by the association. The association may charge
6 contracts covered in part by the association the costs for reinsurance in excess of the obligations of the
7 association, using reasonable allocation methods.

8 (b) is entitled to any amounts payable by the reinsurer under the agreements with respect to losses or
9 events that occur in periods after the coverage date and that relate to contracts covered by the association, in
10 whole or in part. In order to receive these amounts, the association must be obligated to pay the beneficiary of
11 the underlying policy or contract a portion of the amount equal to the excess of the amount received by the
12 association minus:

13 (i) the benefits paid by the association under the policy or contract; and

14 (ii) any amount properly retained by the impaired or insolvent insurer for the loss or event.

15 (c) shall calculate, within 30 days of the election, the net balance due to or from the association under
16 each reinsurance agreement as of the date of the association's election, giving full credit to all items paid to
17 either the member insurer, its rehabilitator or liquidator, or the indemnity reinsurer during the period between the
18 coverage date and the date of the association's election. Either the association or the indemnity insurer shall
19 pay the net balance due the other within 5 days of completion of the calculation. If the rehabilitator or liquidator
20 has received any amount under this section, the rehabilitator or liquidator shall remit it to the association as soon
21 as practicable.

22 (4) If, within 60 days of the election, the association pays the premiums due for the periods before and
23 after the coverage date that relate to the contracts covered by the association, either in whole or in part, the
24 reinsurer may not terminate the reinsurance agreement insofar as the agreement relates to contracts covered
25 by the association, in whole or in part, and is not entitled to set off any unpaid premium due for periods prior to
26 the coverage date against amounts due the association.

27 (5) The association may transfer any rights or obligations under this section to a third-party insurer
28 under terms agreed upon by the association and the third-party insurer.

29 (6) Except as otherwise expressly stated in this section, this section may not be construed to alter or
30 modify the terms and conditions of the reinsurance agreement of an insolvent member insurer. This section is

1 not intended to:

2 (a) abrogate or limit any rights of a reinsurer to claim that it is entitled to rescind a reinsurance
3 agreement; or

4 (b) give a policyowner or beneficiary an independent cause of action against an insurer that is not
5 otherwise provided for in the reinsurance agreement.

6
7 **NEW SECTION. Section 2. Deposits paid to association.** (1) A deposit in this state that is held
8 pursuant to law or required by the commissioner to be held for the benefit of creditors, including policyowners,
9 and that is not turned over to the liquidator upon entry of the final order of liquidation or upon entry of the order
10 approving a rehabilitation plan of an insurer domiciled in this state or in a reciprocal state pursuant to 33-2-1381
11 must be promptly paid to the association.

12 (2) The association is entitled to retain a portion of any amount paid under this section equal to the
13 percentage determined by dividing the aggregate amount of policyowner claims related to the insolvency for
14 which the association has provided statutory benefits by the aggregate amount of all policyowner claims in this
15 state related to the insolvency. The association shall remit to the domiciliary receiver the amount paid to the
16 association and not retained under this section.

19 **Section 3.** Section 33-10-201, MCA, is amended to read:

24 subject to certain limitations, against failure in the performance of contractual obligations due to the impairment
25 or insolvency of the insurer issuing the policies or contracts.

26 (3) To provide this protection:

27 (a) an association of insurers is created to enable the guaranty of payment of benefits and of
28 continuation of coverages;

29 (b) members of the association are subject to assessment to provide funds to carry out the purpose of
30 this part; and

1 (c) the association is authorized to assist the commissioner, in the prescribed manner, in the detection
2 and prevention of insurer impairments or insolvencies.

3 (4) This part applies to direct, nongroup life, health, and annuity policies and contracts; and their
4 supplemental policies or contracts, to certificates under direct group policies and contracts, and to unallocated

7 administration contracts, unallocated funding agreements, allocated funding agreements, structured settlement
8 agreements annuities, lottery ~~contracts~~ annuities issued in connection with government lotteries, and any

11 (a) to persons who are owners of or certificate holders under covered policies or contracts, other than
12 unallocated annuity contracts and structured settlement annuities that are provided for in subsections (6) and
13 (7), ~~in the case of unallocated annuity contracts, to the persons who are contract holders~~ if the persons:

15 (ii) are not residents, but only under all of the following conditions:

22 (5)(a).

23 (6) With respect to unallocated annuity contracts, this part provides coverage to:

8 in which the payee or contract owner resides.

9 (8) This part does not provide coverage to:

10 (a) a person who is a payee or a beneficiary of a contract owner who is the resident of another state
11 if the payee or beneficiary is afforded any coverage by the association of another state; or

12 (b) a person described in subsection (5) if the person is afforded any coverage by the association of
13 another state.

14 (9) (a) This part is intended to provide coverage to a person who is a resident of this state and, in
15 special circumstances, to a nonresident. In order to avoid duplicate coverage, if a person who would otherwise
16 receive coverage under this part is provided coverage under the laws of any other state, the person may not be
17 provided coverage under this part.

18 (b) In determining the application of this subsection (9) to situations in which a person, such as an
19 owner, payee, beneficiary, or assignee, could be covered by the associations of more than one state, this part
20 must be construed in conjunction with other state laws to result in coverage by only one association.

21 ~~(6)(10) This part covers persons specified in subsection (5)(a) for direct, nongroup life, health, annuity,~~
22 ~~and supplemental policies and contracts, for certificates under direct group policies and contracts, and for~~

 2 interest rate, crediting rate, or similar factor determined by the use of an index or other external reference stated
 3 in the policy or contract employed in calculating returns or changes in value:

4 (i) averaged over the period of 4 years prior to the date on which the association becomes obligated
 5 with respect to the policy or contract, exceeds a rate of interest determined by subtracting 2 percentage points
 6 from Moody's corporate bond yield average averaged for that same 4-year period or for the lesser period if the
 7 policy or contract was issued less than 4 years before the association became obligated; and

8 (ii) on and after the date on which the association becomes obligated with respect to the policy or
 9 contract, exceeds the rate of interest determined by subtracting 3 percentage points from Moody's corporate
 10 bond yield average as is most recently available;

11 (d) any plan or program of an employer, association, or similar entity to provide life, health, or annuity
 12 benefits to its employees, ~~or members,~~ or others to the extent that the plan or program is self-funded or

17 (ii) a minimum premium group insurance plan;

18 (iii) a stop-loss group insurance plan; or

14 to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer under this part. If a

15 policy's or contract's interest or changes in value are credited less frequently than annually, then for purposes

16 of determining the values that have been credited and are not subject to forfeiture under this section, the interest

17 or changes in value determined by using the procedures defined in the policy or contract must be credited as

18 if the contractual date of crediting interest or changes in value was the date of impairment or insolvency and the

19 interest or changes in value are not subject to forfeiture.

20 ~~(7)~~(11) This part must be liberally construed to effect the purpose under subsections (2) and (3), which

21 constitute an aid and guide to interpretation.

27 the economic or financial conditions as they affect member insurers are sufficiently adverse to render the
28 imposition of policy or contract liens, moratoriums, or similar means to be in the public interest; and

29 (b) approves the specific policy liens, contract liens, moratoriums, or similar means to be used.

30 (4) Before being obligated under subsection (1), the association may request that there be imposed

24 section 130 of the Internal Revenue Code.

25 (4) If subsections (1) through (3) are invalid or ineffective with respect to any person or claim for any
26 reason, the amount payable by the association with respect to the related covered obligations must be reduced
27 by the amount realized by any other person with respect to the person or claim that is attributable to the policy
28 or a portion of the policy covered by the association.

29 (5) If the association has provided benefits with respect to a covered obligation and a person recovers
30 any amount to which the association has rights as described in this section, the person shall pay to the

3

4 **Section 17.** Section 33-10-224, MCA, is amended to read:

5 **"33-10-224. Extent of liability.** (1) The benefits for which the association may become liable may not

10 \$5 million in benefits with respect to all these unallocated contracts.

11 (2) The association is not obligated to cover more than:

12 (a) an aggregate of \$300,000 in benefits with respect to any one life under subsections (1)(b)(i),

27 contractual obligations of the impaired or insolvent insurer under a covered policy or contract that do not
28 materially affect the economic values or economic benefits of the covered policy or contract."

30 **Section 18.** Section 33-10-226, MCA, is amended to read:

1 **"33-10-226. Distribution of ownership rights -- distribution to shareholders.** (1) Prior to the
 2 termination of any liquidation, rehabilitation, or supervision proceeding, the court may take into consideration
 3 the contributions of the respective parties, including the association, the shareholders, and policyowners of the
 4 impaired or insolvent insurer and any other party with a bona fide interest, in making an equitable distribution
 5 of the ownership rights of ~~such the~~ impaired or insolvent insurer. In ~~such a the~~ determination, consideration ~~shall~~
 6 must be given to the welfare of the ~~policyholders~~ policyowners of the continuing or successor insurer.

7 (2) ~~No A~~ distribution to stockholders, if any, of an impaired or insolvent insurer ~~shall~~ may not be made
 8 until and unless the total amount of assessments levied by the association with respect to ~~such the~~ insurer have
 9 been fully recovered by the association."

11 **Section 19.** Section 33-10-227, MCA, is amended to read:

12 **"33-10-227. Assessments -- abatement -- basis for ratesetting.** (1) For the purpose of providing the
 13 funds necessary to carry out the powers and duties of the association, the board of directors shall assess the
 14 member insurers, separately for each account, at the times and for the amounts as the board finds necessary.
 15 The board shall collect the assessments after 30 days' written notice to the member insurers before payment
 16 is due.

17 (2) There are two classes of assessments, as follows:

18 (a) Class A assessments must be made for the purpose of meeting administrative costs and other
 19 general expenses not related to a particular impaired or insolvent insurer.

20 (b) Class B assessments must be made to the extent necessary to carry out the powers and duties of
 21 the association under 33-10-219 and 33-10-220(4) with regard to an impaired or insolvent insurer.

22 (3) (a) The amount of any Class A assessment for each account must be determined by the board. The
 23 amount of any Class B assessment must be divided among the accounts in the proportion that the premiums
 24 received by the impaired or insolvent insurer on the policies covered by each account bear to the premiums
 25 received by the insurer on all covered policies.

26 (b) Class B assessments against member insurers for each account must be in the proportion that the
 27 premiums received on business in this state by each assessed member insurer on policies covered by each
 28 account bear to the premiums received on business in this state by all assessed member insurers.

29 (c) Assessments for funds to meet the requirements of the association with respect to an impaired or
 30 insolvent insurer may not be made until necessary to implement the purposes of this part. Classification of

1 assessments under subsection (2) and computation of assessments under this subsection must be made with
2 a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

3 (4) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in
4 the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill
5 its contractual obligations. The total of all assessments upon a member insurer for each account may not in any
6 ~~one~~ 1 calendar year exceed 2% of the insurer's premiums in this state on the policies covered by the account.

7 (5) In the event an assessment against a member insurer is abated or deferred, in whole or in part,
8 because of the limitations set forth in subsection (4), the amount by which the assessment is abated or deferred
9 must be assessed against the other member insurers in a manner consistent with the basis for assessments set
10 forth in this section. If the maximum assessment, together with the other assets of the association in either
11 account, does not provide in any ~~one~~ 1 year in either account an amount sufficient to carry out the
12 responsibilities of the association, the necessary additional funds must be assessed as soon ~~thereafter~~ after that
13 year as permitted by this part.

14 (6) If a 1% assessment for any subaccount of the life insurance account and the annuity account in any
15 1 year does not provide an amount sufficient to carry out the responsibilities of the association, then pursuant
16 to subsection (3)(b), the board shall assess all subaccounts of the life insurance account and the annuity account
17 for the necessary additional amount, subject to the maximum assessment stated in subsection (4).

18 (7) The board may, by an equitable method as established in the plan of operation, refund to member
19 insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the
20 account exceed the amount the board finds is necessary to carry out during the coming year the obligations of
21 the association with regard to that amount, including assets accruing from net realized gains and income from
22 investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses
23 of the association and for future losses if refunds are impractical.

24 (8) It is proper for any member insurer, in determining its premium rates and policyowner dividends as
25 to any kind of insurance within the scope of this part, to consider the amount reasonably necessary to meet its
26 assessment obligations under this part.

27 (9) The association shall issue to each insurer paying an assessment under this part a certificate of
28 contribution, in a form prescribed by the commissioner, for the amount paid. All outstanding certificates must
29 be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may
30 be shown by the insurer in its financial statement as an asset in that form and for the amount, if any, and period

1 of time that the commissioner may approve."
