21

22 WHEREAS, the increasingly large amounts of money being raised and spent to influence the outcome
23 of elections may have a detrimental effect on the constitutional rights of voters and candidates; and

24 WHEREAS, those detrimental effects are especially problematic in elections of the judiciary because
25 impartiality is uniquely important to the integrity and credibility of the courts; and

26 WHEREAS, the Legislature wishes to ensure the fairness of democratic judicial elections in Montana
27 to protect the impartiality in appearance and in fact of the Montana Supreme Court; and

28 WHEREAS, the Legislature wishes to provide a voluntary public finance system for Supreme Court
29 elections as an alternative source of campaign financing for candidates who demonstrate public support and
30 voluntarily accept strict fundraising and spending limits.

1

2 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

3

4 NEW SECTION. Section 1. Short title. [Sections 1 through 25] may be cited as the "Public Financing
5 of Supreme Court Election Campaigns Act".

6

7 NEW SECTION. Section 2. Findings and declaration. (1) The legislature finds that the current system
8 of privately financed campaigns for election to the supreme court undermines democracy in the state, in that the
9 system:

10 ~~(a) diminishes the meaning of the right to vote by allowing large contributions to have a deleterious
11 influence on the political process;~~

12 ~~——(b) violates the rights of all citizens to equal and meaningful participation in the democratic process;~~

13 ~~——(c) diminishes the free speech rights of nonwealthy voters and candidates whose voices are drowned
14 out by those who can afford to monopolize the arena of paid political communications;~~

15 ~~——(d) undermines the first amendment right of voters and candidates to be heard in the political process,
16 undermines the first amendment right of voters to hear all candidates' speech, and undermines the core first
17 amendment value of open and robust debate in the political process;~~

18 ~~(e)(A)~~ fuels the public perception of corruption and undermines public confidence in the democratic
19 process and in judicial institutions;

20 ~~(f)(B)~~ creates the appearance and the inference that supreme court justices are accountable to major
21 contributors or the groups of contributors who finance their election campaigns;

22 ~~(g)(C)~~ creates a danger of actual corruption by encouraging supreme court candidates to take money
23 from private interests that may be directly affected by their actions;

24 ~~(h)(D)~~ drives up the cost of election campaigns, making it difficult for qualified candidates without access
25 to large contributors or personal fortunes to mount competitive campaigns;

26 ~~(i)(E)~~ disadvantages challengers, because large campaign contributors tend to give their money to
27 incumbents, thus causing elections to be less competitive;

28 ~~(j)(F)~~ inhibits communication with the electorate by candidates without access to large sums of
29 campaign money; and

30 ~~(k)(G)~~ burdens candidates with the incessant rigors of fundraising and thus decreases the time available

1 to carry out their public responsibilities.

2 (2) The legislature finds that providing a voluntary public finance system for all primary and general
3 supreme court justice elections would enhance democracy in Montana in that it would:

4 (a) eliminate the deleterious influence of large contributions on supreme court races and remove access
5 to wealth as a major determinant of a citizen's influence within these races;

6 (b) restore the rights of all citizens to equal and meaningful participation in these races;

7 (c) restore the free speech rights of nonwealthy candidates and voters by providing candidates with
8 equal resources with which to communicate with the voters;

9 (d) help restore the first amendment right of voters and candidates to be heard in the political process,
10 help restore the first amendment right of voters to hear all candidates' speech, and help restore the core first
11 amendment value of open and robust debate in the political process;

12 (e) diminish the public perception of corruption and strengthen public confidence in the democratic
13 process and democratic institutions;

14 (f) maintain the integrity and impartiality of the Montana supreme court;

15 (g) eliminate the danger of actual corruption caused by the private financing of the supreme court
16 election campaigns, thus restoring public confidence in the fairness of the electoral and judicial processes;

17 (h) slow or reverse the escalating cost of elections;

18 (i) create a more level playing field for incumbents and challengers, create genuine opportunities for
19 qualified residents of Montana to run for the supreme court, and encourage more competitive elections;

20 (j) facilitate communication with the electorate by candidates, regardless of their access to large sums
21 of campaign money; and

22 (k) free candidates from the incessant rigors of raising money and allow them more time to carry out
23 their official duties.

24 (3) The legislature further finds that the unique factual circumstances in Montana require that the
25 provisions of [sections 1 through 25] be enacted to promote the compelling state interests listed in subsections
26 (1) and (2). The provisions of [sections 1 through 25] are designed to create a rough proportionality between the
27 benefits and restrictions that apply to participating candidates. However, it should be clear that [sections 1
28 through 25] are not entirely neutral. Participating candidates are deliberately favored to further the compelling
29 state interest of encouraging participation in the public financing scheme.

30

5 a candidate for election.

14 (e) must be acknowledged by a receipt given to the contributor, with a copy of the receipt kept by the
15 candidate and a copy sent to the commissioner. The receipt must include the contributor's signature, printed
16 name, home address, and telephone number and the name of the candidate on whose behalf the contribution

20 (ii) the contribution is made without coercion or reimbursement by volunteers who do not receive
21 reimbursement.

23 commissioner according to a schedule and procedure to be determined by the commissioner. A contribution
24 submitted as a qualifying contribution that does not include a signed and completed receipt may not be counted
25 as a qualifying contribution.

26
27 **NEW SECTION. Section 5. Eligibility of candidate for public money funding.** (1) A candidate

30 period; and

2 of the requirements of [sections 1 through 25], including the requirement that during the public money qualifying
3 period, the candidate has not and will not accept or spend private contributions from any source other than public
4 money qualifying contributions. However, during the qualifying period a candidate may lend up to \$2,500 to the
5 candidate's campaign to defray the expenses of collecting qualifying contributions. Loans must be repaid from
6 any qualifying contributions before the balance is deposited in the fund established in [section 17], unless
7 [section 6] applies.

8 (2) A candidate qualifies as a participating candidate for the general election campaign period if the
9 candidate:

10 (a) meets all of the applicable requirements and files a declaration with the commissioner that the
11 candidate has fulfilled and will fulfill all of the requirements of a participating candidate, as provided in [sections
12 1 through 25], and the rules of the commissioner; and

13 (b) qualified for the general election as a participating candidate during the primary election campaign
14 period.

15
16 **NEW SECTION. Section 6. Eligibility rule for transition from current election cycle.** During the
17 election cycle in effect on [the effective date of this section], a candidate may be certified as a participating
18 candidate notwithstanding the acceptance of contributions or making of expenditures from private funds before
19 that date that would, except for this section, disqualify the candidate as a participating candidate if any private
20 funds accepted but not expended before [the effective date of this section] are returned to the contributor or are
21 submitted to the commissioner for deposit in the public money fund.

22
23 **NEW SECTION. Section 7. Continuing obligation to comply.** A participating candidate who accepts
24 public money funding during the primary election campaign period shall comply with the requirements of
25 [sections 1 through 25] through the general election campaign period regardless of whether the participating
26 candidate accepts public money funding during the general election campaign period.

27
28 **NEW SECTION. Section 8. Contributions and expenditures.** (1) A participating candidate may not,
29 during the primary and general election campaign periods, accept a contribution from a source other than the
30 public money fund.

1 (2) A participating candidate who receives a qualifying contribution that is not from the person listed on
 2 the receipt required by [section 4] shall pay the qualifying contribution to the commissioner and is liable for other
 3 penalties provided by [sections 1 through 25]. THE COMMISSIONER SHALL DEPOSIT THE QUALIFYING CONTRIBUTION
 4 IN THE PUBLIC MONEY ELECTION CAMPAIGN FUND.

5 (3) During the primary and general election campaign periods, a participating candidate may pay the
 6 participating candidate's campaign expenditures, except petty cash expenditures paid from a fund created in
 7 accordance with 13-37-215, by means of the public money debit card issued pursuant to [section 19].

8 (4) An individual applying for certification as a participating candidate shall furnish complete campaign
 9 records, including all records of qualifying contributions, to the commissioner at the time of application.
 10 Participating candidates shall furnish any of those records to the commissioner upon the request of the
 11 commissioner. Individuals applying for certification and participating candidates shall cooperate with the
 12 commissioner in the commissioner's performance of an audit or other investigation.

13
 14 NEW SECTION. Section 9. Contribution and use of personal funds by candidate. The personal
 15 funds of a candidate seeking certification as a participating candidate may not be used to meet the qualifying
 16 contribution requirements of [section 4] except for one \$5 contribution from the candidate and one \$5
 17 contribution from the candidate's spouse if the candidate's spouse is a registered voter who resides in the state.
 18

19 NEW SECTION. Section 10. Application for certification -- certification by commissioner --
 20 judicial review. (1) A candidate's application for certification as a participating candidate must be signed under
 21 oath by the candidate and the candidate's campaign treasurer.

22 (2) An application for certification as a participating candidate must be submitted to the commissioner
 23 and must include:

24 (a) evidence of the number of qualifying contributions received by the candidate; and
 25 (b) a declaration that the candidate has complied and will comply with all the requirements for eligibility
 26 for certification as a participating candidate.

27 (3) No more than 5 working days after a candidate applies for public money funding, the commissioner
 28 shall determine whether the candidate is or is not eligible to receive public money funding. THE COMMISSIONER'S
 29 DETERMINATION MUST BE BASED ON THE DOCUMENTATION PROVIDED BY THE CANDIDATE APPLYING FOR PUBLIC MONEY
 30 FUNDING. If the commissioner determines that the candidate is eligible, the commissioner shall certify the

1 candidate as a participating candidate and make money from the public money fund available to the participating
2 candidate in accordance with [section 11]. If the commissioner determines that the candidate is not eligible to
3 receive public money funding, the commissioner shall inform the candidate in writing of that fact.

4 (4) The commissioner shall revoke the certification of a participating candidate who the commissioner
5 later determines was not eligible for certification because of a violation of [sections 1 through 25] or the rules
6 of the commissioner. THE COMMISSIONER'S DETERMINATION MUST BE BASED UPON A FINDING MADE IN A CONTESTED
7 CASE PROCEEDING HELD PURSUANT TO TITLE 2, CHAPTER 4, PART 6. If a participating candidate's certification of
8 eligibility is revoked, the candidate shall repay to the commissioner all public money funding received by the
9 candidate. Money repaid to the commissioner must be deposited in the public money fund.

10 (5) A decision by the commissioner whether to certify a candidate as a participating candidate is subject
11 to judicial review in the manner provided by Title 2, chapter 4, part 7.

12

13 NEW SECTION. **Section 11. Funding provided to participating candidates -- schedule of**
14 **payments and amounts of public money funding.** (1) A candidate certified as a participating candidate must
15 receive, at the times provided for in subsection (2), public money funding in the amounts provided for in
16 subsection (3). Public money funding may be used by a participating candidate only in the manner and for the
17 purposes provided for in [section 12].

18 (2) The commissioner shall provide public money funding to a participating candidate for a primary
19 election campaign period, in the amount provided in subsection (3), on the day that the commissioner certifies
20 the candidate as a participating candidate. The commissioner shall provide public funding money to a
21 participating candidate for a general election campaign period, in the amount provided in subsection (3), within
22 48 hours after certification of the primary election results.

23 (3) The commissioner shall pay the following amounts from the public money fund to participating
24 candidates:

25 (a) in a contested primary election, \$50,000 for candidates running for the office of associate justice and
26 \$75,000 for candidates running for the office of chief justice;

27 (b) in an uncontested primary election, \$5,000 for candidates running for the office of associate justice
28 and \$5,000 for candidates running for the office of chief justice;

29 (c) in a contested general election, \$125,000 for candidates running for the office of associate justice
30 and \$150,000 for candidates running for the office of chief justice; and

1 (d) in an uncontested general election, \$5,000 for candidates running for the office of associate justice
2 and \$7,500 for candidates running for the office of chief justice.

3 (4) After the first election cycle in which the commissioner provides public money funding to participating
4 candidates, the commissioner shall increase all public money funding to be paid in the following election cycle
5 by an amount equal to the rate of inflation or the cost-of-living increase, whichever is more, between the previous
6 general election and the next general election, as determined by the rules of the commissioner.

7

8 **NEW SECTION. Section 12. Purpose for which public money funding may be used -- return of**
9 **unspent funds.** (1) Public money funding may be used by a participating candidate only to pay for
10 campaign-related expenses incurred in the course of a primary or general election campaign.

11 (2) Public money funding may not be expended in violation of law or for personal, family, or business
12 loans, expenditures, or debts.

13 (3) A participating candidate who does not expend all public money funding received by the participating
14 candidate shall return the unspent portion to the commissioner, who shall deposit the money into the public
15 money election campaign fund.

16

17 **NEW SECTION. Section 13. Disclosure of excess campaign contributions by nonparticipating**
18 **candidates.** (1) If a nonparticipating candidate's total campaign contributions received at any time exceed the
19 amount of public money funding provided to the nonparticipating candidate's participating candidate opponent,
20 the nonparticipating candidate shall declare to the commissioner within 48 hours of receipt every excess
21 campaign contribution, once the total excess contributions exceed \$1,500.

22 (2) During the last 20 days before the end of the relevant campaign period, a nonparticipating candidate
23 shall declare to the commissioner each excess campaign contribution within 24 hours of receipt, if the total
24 excess contributions exceed \$1,500.

25 (3) The commissioner may make a determination as to whether an excess campaign contribution has
26 been made to a nonparticipating candidate based upon documentation provided by the nonparticipating
27 candidate.

28 (4) Upon receiving an excess campaign contribution declaration from a nonparticipating candidate or
29 making a determination that a nonparticipating candidate has received more in campaign contributions than a
30 participating candidate, the commissioner shall immediately provide additional public money funding to the

1 opposing participating candidate equal to the excess campaign contributions received by the nonparticipating
2 candidate, subject to the limitations provided in [section 15(5)].

5 section, unless the context indicates otherwise, the following definitions apply:

16 an agent of a candidate or a candidate's authorized committee;

17 (c) based on specific information about the candidate's plans, projects, or needs provided to the person
18 making the payment by the candidate or the candidate's agent who provides the information with a view toward
19 having the payment made;

20 (d) if, in the same election cycle in which the payment is made, the person making the payment is
21 serving or has served as a member, employee, fundraiser, or agent of the candidate's authorized committee in
22 an executive or policymaking position;

23 (e) if the person making the payment has served in any formal policy or advisory position with the
24 candidate's campaign or has participated in strategic or policymaking discussions with the candidate's campaign
25 relating to the candidate's pursuit of election or nomination for election in the same election cycle as the election
26 cycle in which the payment is made; or

27 (f) if the person making the payment retains the professional services of an individual or person who,
28 in a nonministerial capacity, has provided or is providing campaign-related services in the same election cycle
29 to a candidate who is pursuing the same nomination or election as any of the candidates to whom the
30 communication refers.

1 (3) (a) "Express advocacy" means a communication that is made through a broadcast medium,
2 newspaper, magazine, billboard, direct mail, or similar type of general public communication or political

5 contains a phrase such as "vote for", "reelect", "support", "cast your ballot for", "(name of candidate) for (name
6 of office)", "(name of candidate) in (year)", "vote against", "defeat", "reject", or similar phrases; or

9 (b) The term does not mean:

10 (i) a news story, commentary, or editorial by a broadcasting station, newspaper, magazine, or other

26 campaign period that, when considered with other independent expenditures made by that person not reported
27 to the commissioner since a previous report, exceeds \$1,000 shall, within 48 hours of making the expenditure
28 or obligation, report each of those independent expenditures to the commissioner.

29 (2) The report to the commissioner required by subsection (1) must include a sworn statement by the
30 person making or obligating the independent expenditure identifying the candidate whom the independent

1 expenditure is intended to help elect or defeat and affirming that the expenditure is totally independent and
2 involves no cooperation or coordination with a candidate, a candidate's authorized committee, or a political party.

3 (3) A person who makes or obligates to make an independent expenditure during the last 20 days
4 before the end of the relevant campaign period that, when considered with other independent expenditures
5 made by that person during the same period since the previous report to the commissioner, exceeds \$500 shall,
6 within 24 hours of making the expenditure, report each expenditure to the commissioner.

7 (4) Upon receiving a report that an independent expenditure has been made or obligated to be made,
8 the commissioner shall immediately provide additional public money funding, equal in amount to the amount of
9 the independent expenditure, to all participating candidates whom the independent expenditure is intended to
10 oppose or defeat, as reported pursuant to subsections (2) and (3).

11 (5) The maximum aggregate amount of additional funding that a participating candidate may receive
12 to match independent expenditures or excess campaign contributions of nonparticipating candidates, or both,
13 in an election is 200% of the total amount of public money funding received by a participating candidate in that
14 election.

15 (6) An individual or organization may file a complaint with the commissioner if the individual or
16 organization believes that a statement made for the purposes of satisfying subsection (2) is false. The
17 commissioner shall make a ~~prompt~~ determination of a complaint and dispose of the matter as provided in
18 [section 20].

19
20 **NEW SECTION. Section 16. Issue advertisements -- payment of additional public money.** (1) Not
21 later than 48 hours after making or obligating to make an expenditure to purchase an issue advertisement, the
22 person who makes or obligates to make the expenditure shall file a report with the commissioner that contains
23 the following information:

- 24 (a) the amount of the expenditure;
25 (b) the name and address of the person making the expenditure; and
26 (c) the purpose of the issue advertisement.

27 (2) Upon receiving a report that an issue advertisement has been made or obligated to be made and
28 upon determination that the advertisement can reasonably be interpreted as having the effect of promoting the
29 defeat of a participating candidate or the election of that participating candidate's opponent, the commissioner
30 shall immediately provide to that participating candidate additional public money funding, equal in amount to the

1 cost of the issue advertisement. The commissioner shall develop appropriate rules for the implementation of this
2 section.

30 or general election for which the money was paid by the commissioner and the money from the fund that

1 remains unused by a participating candidate following the date of the primary or general election for which that
2 money was paid;

3 (c) fines levied by the commissioner against candidates for violation of [sections 1 through 25];

4 (d) money resulting from the voluntary tax checkoffs provided for in [sections 26 and 28] and other
5 donations to the fund;
