COMMENTS

There is no reason students should have to work
to go to school. Studying is ~~school~~ work. It is our
job!
Scholarships are good. Loans are bad. Please give
us money so we won't be sad.

Dear Member of the House Appropriations Committee,

COMMENTS

It is so ² important to fund students to go to college. There
are so many bright minds who can't afford to devote their
minds to school. With more money, students will be able to
work harder on what is important to them.
